

Annex 1

Distribution plots for FIRI samples A-J

Prepared for FIRI workshop 22-23 March 2001

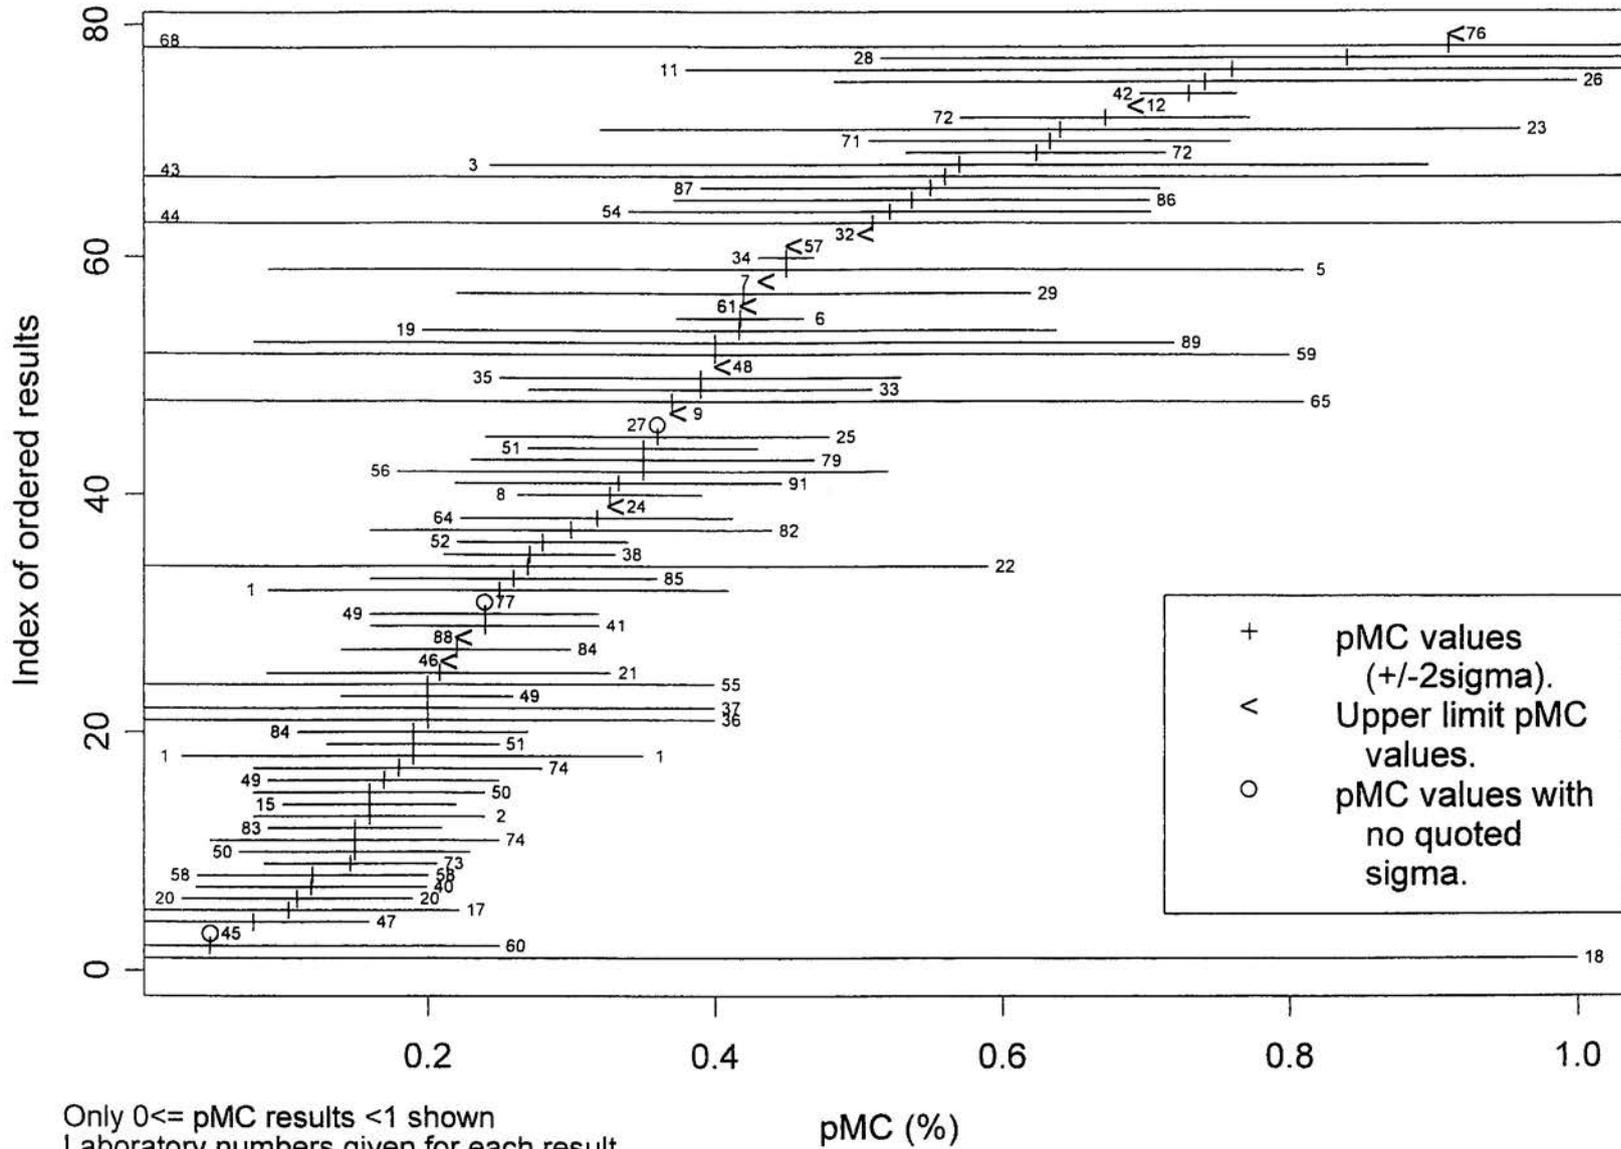

Distribution plot of Age $\pm 2\sigma$ for Kauri A (all laboratories)

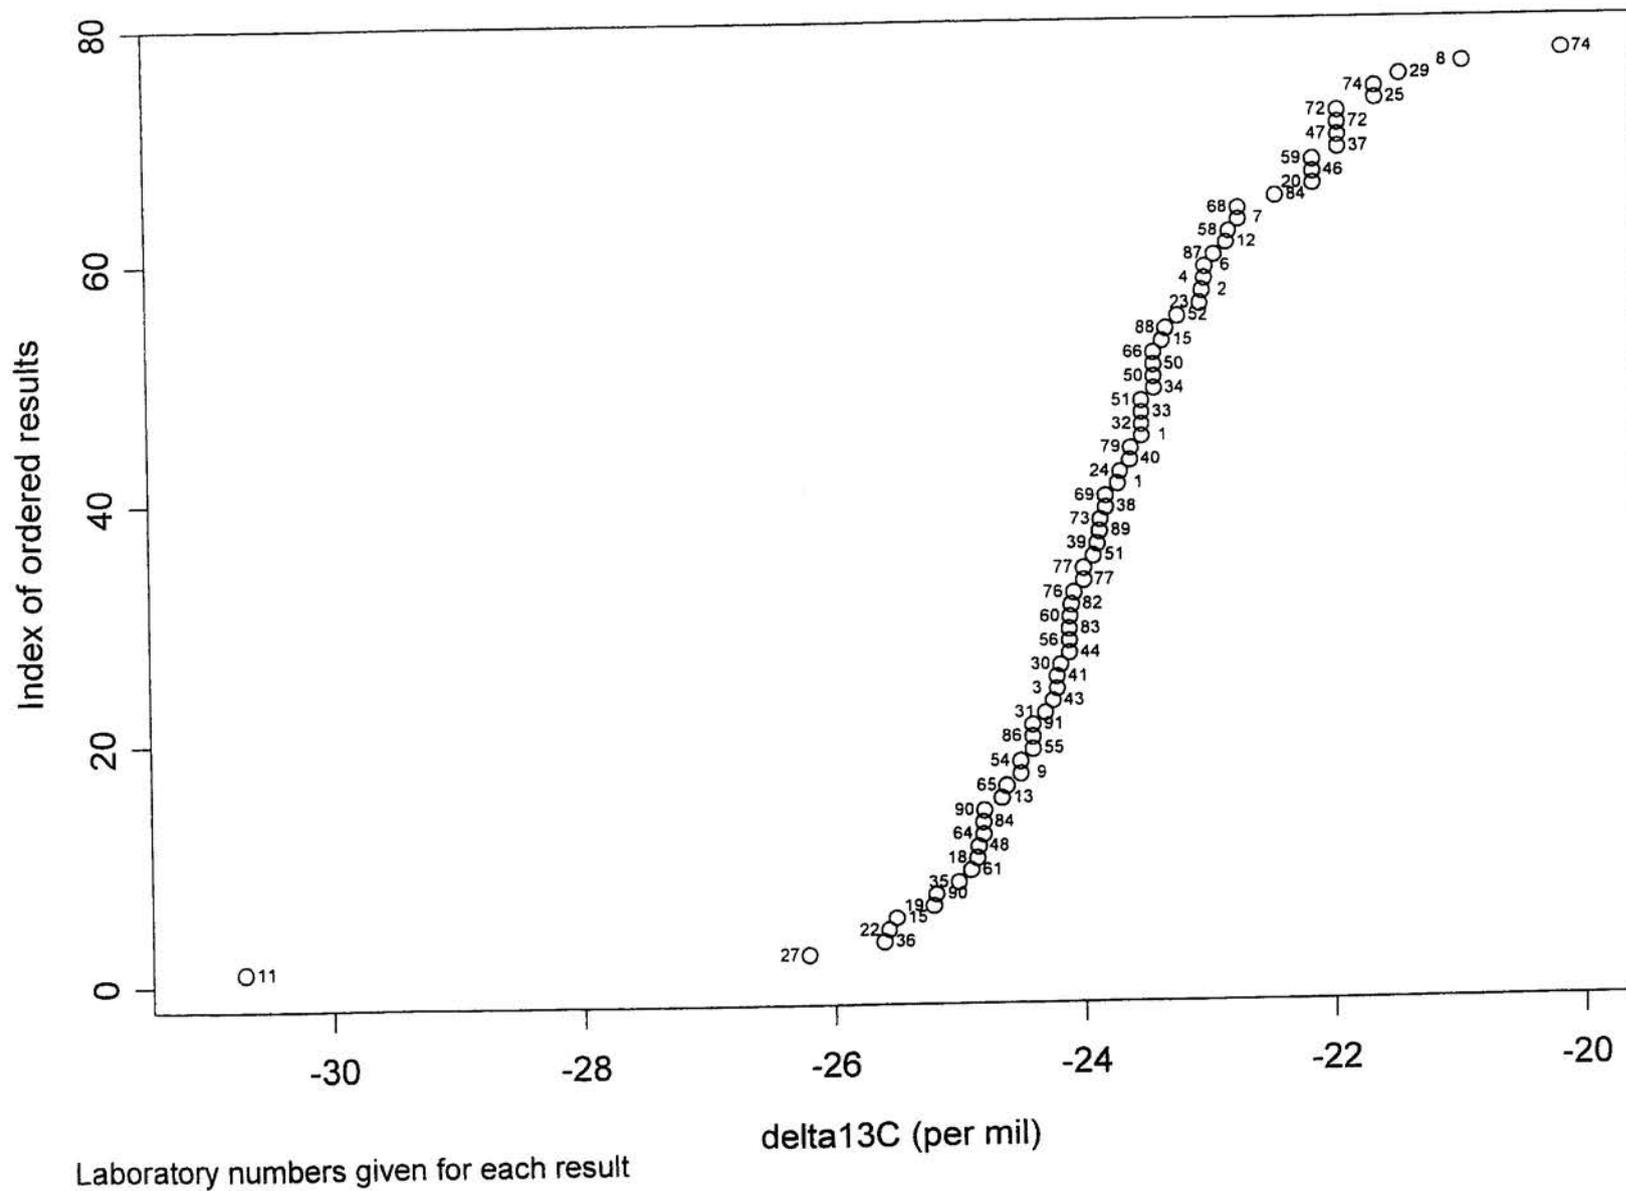

Only Age results >30,000 shown
Laboratory numbers given for each result

Age (BP)

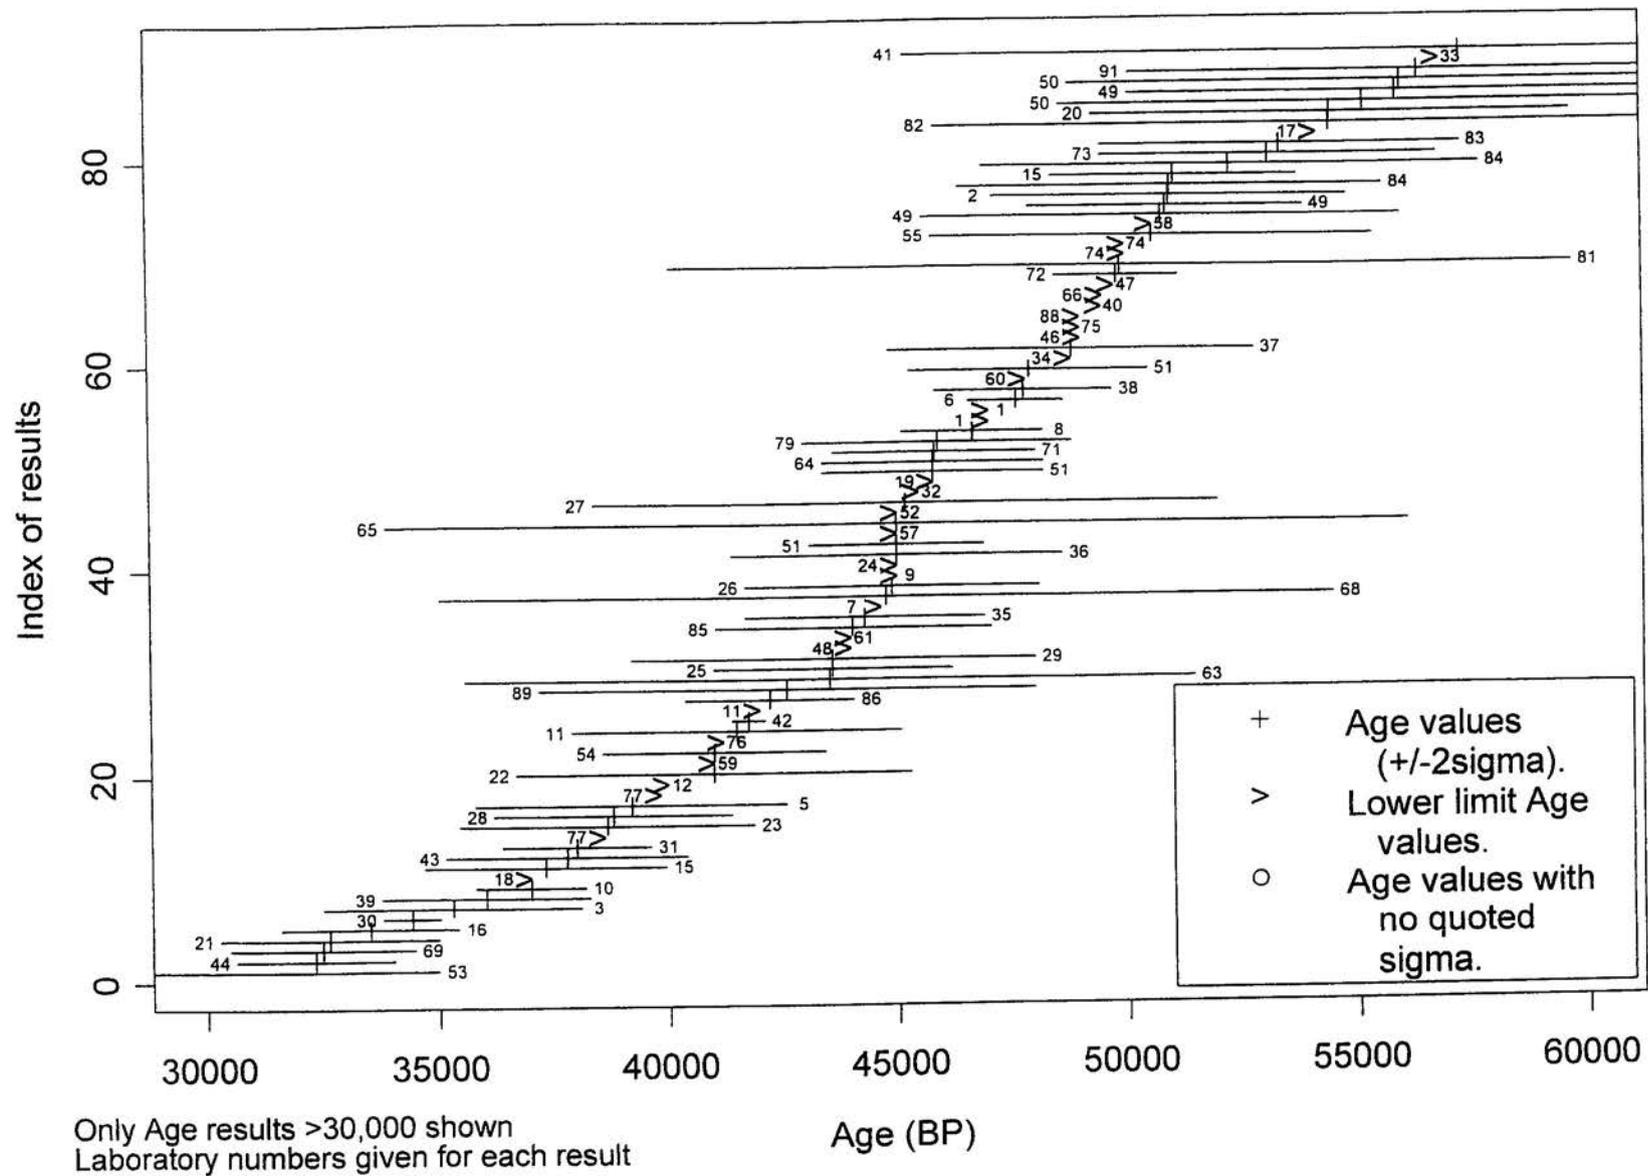

Distribution plot of pMC +/- 2sigma for Kauri A (all laboratories)

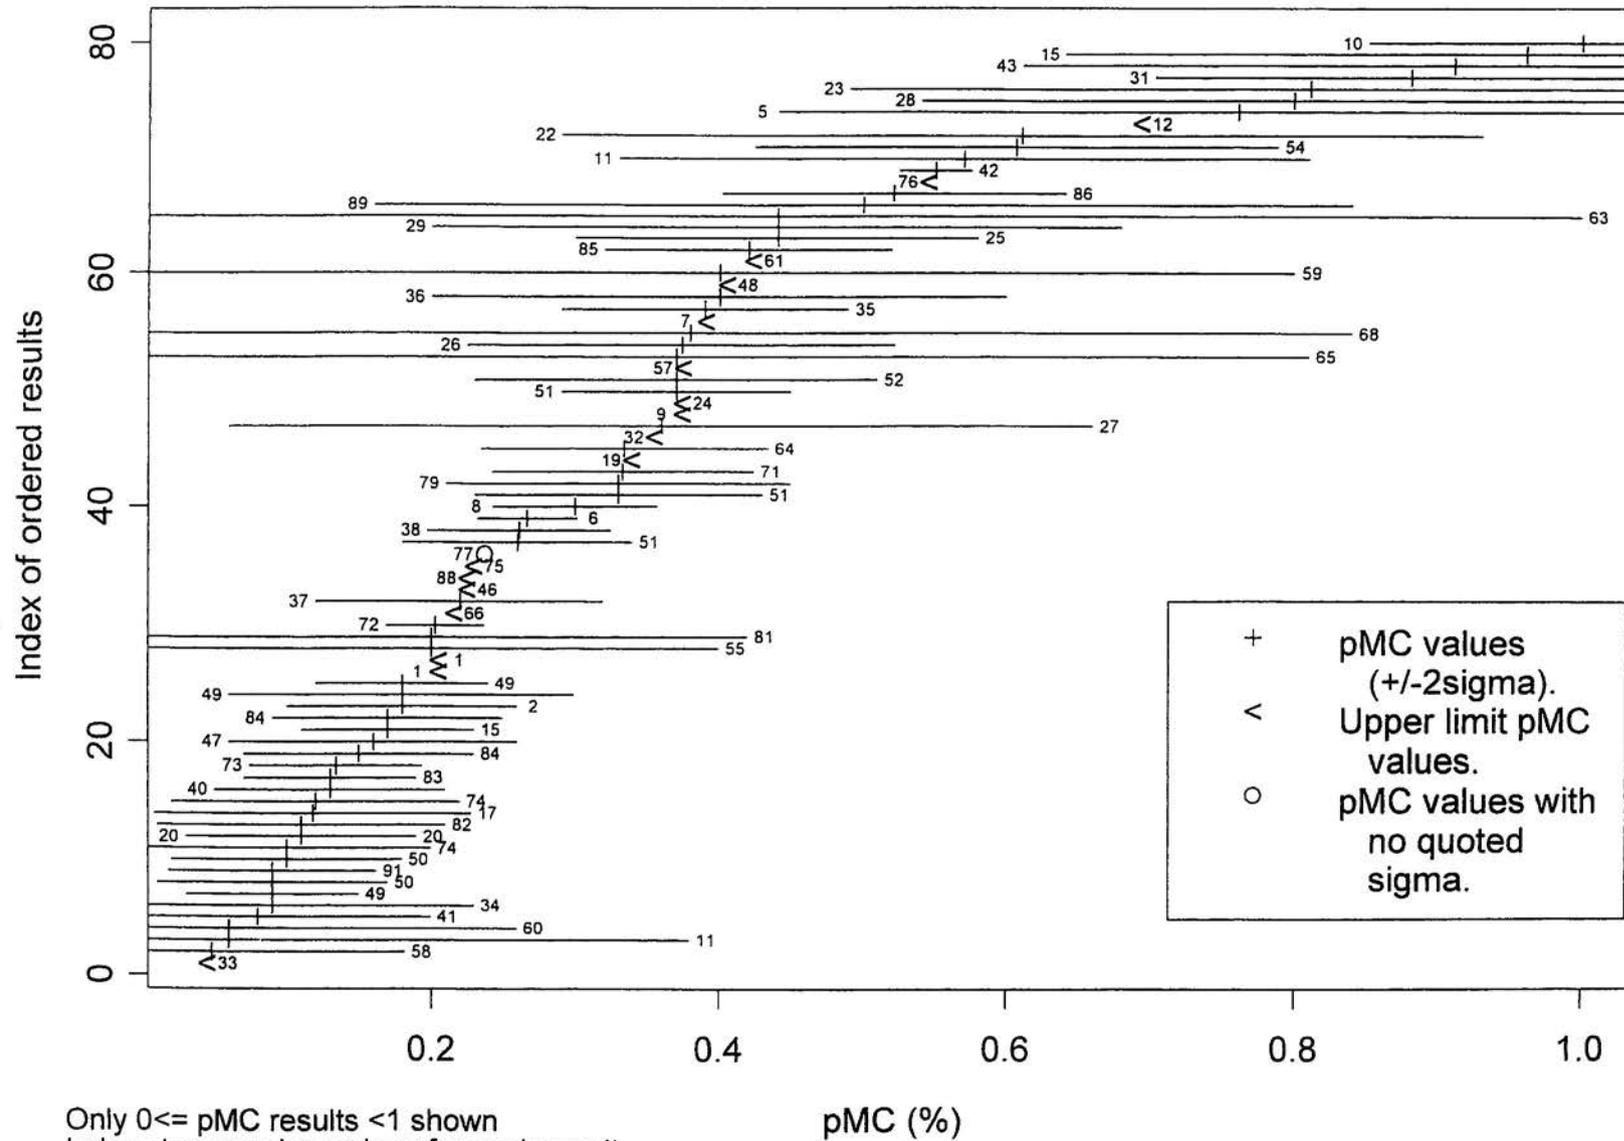

Distribution plot of delta13C for Kauri A (all laboratories)

Distribution plot of Age $\pm 2\sigma$ for Kauri B (all laboratories)

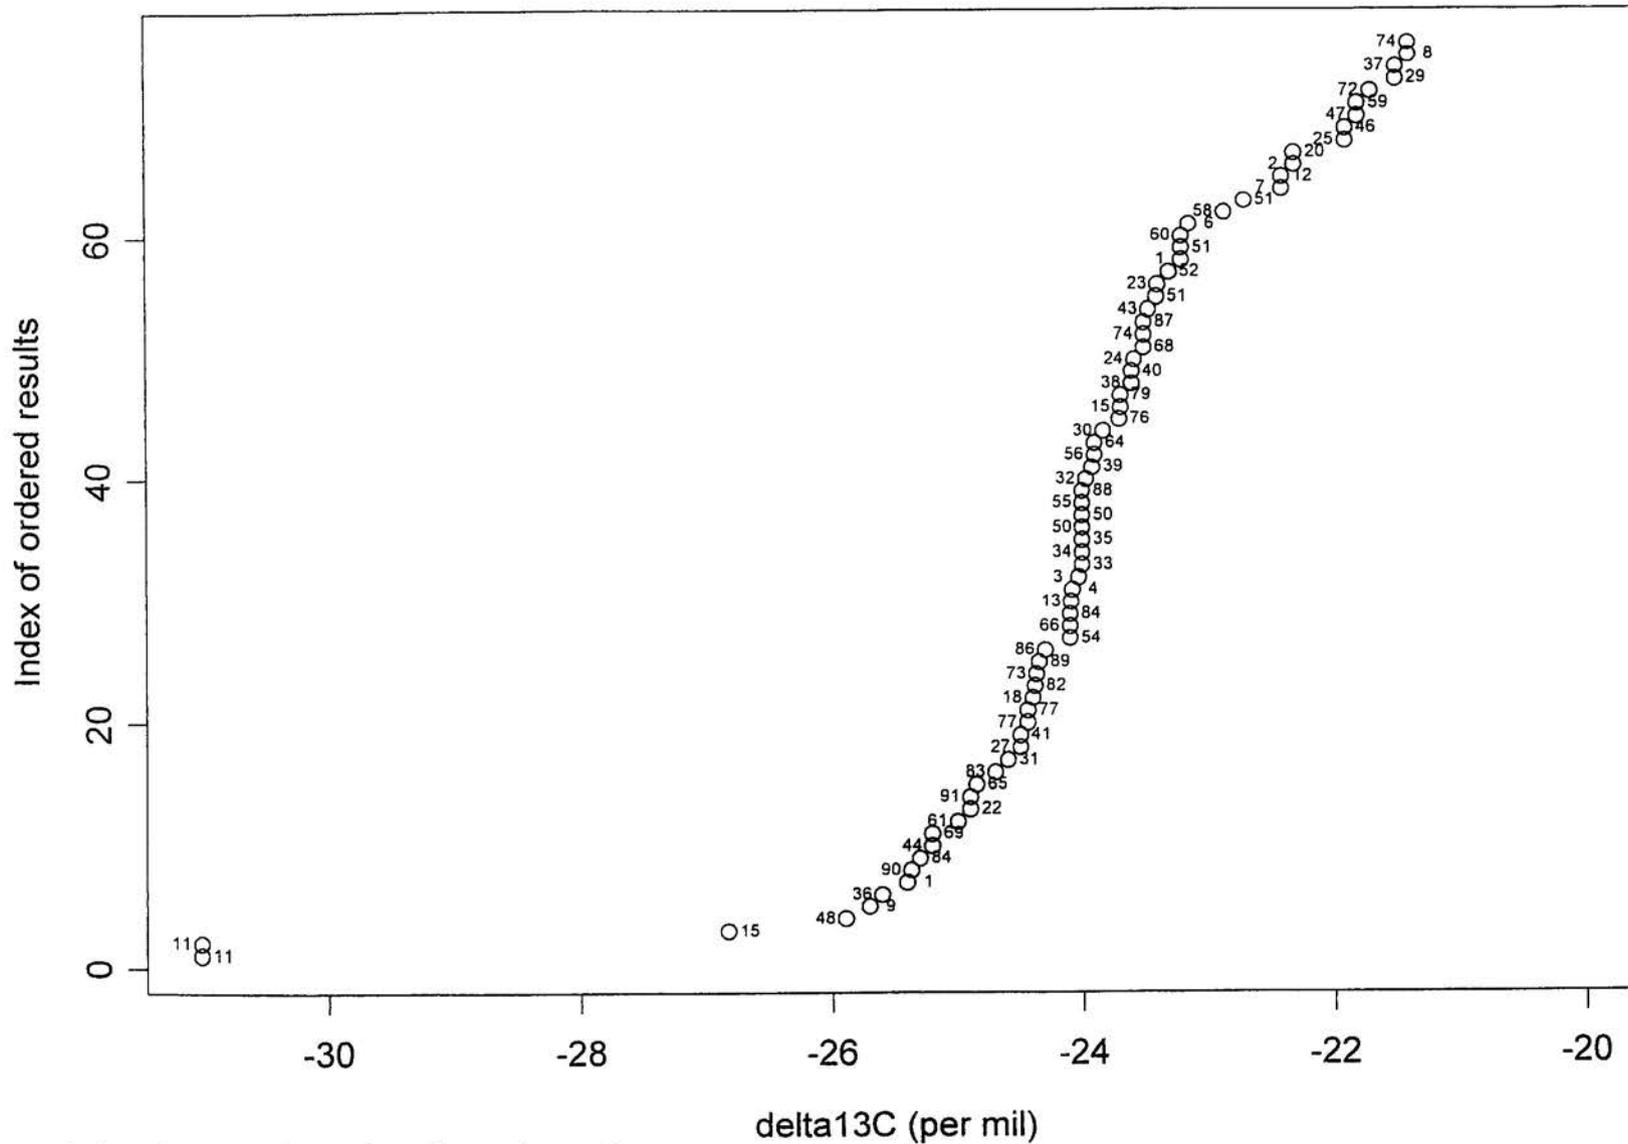

Distribution plot of pMC +/- 2sigma for Kauri B (all laboratories)

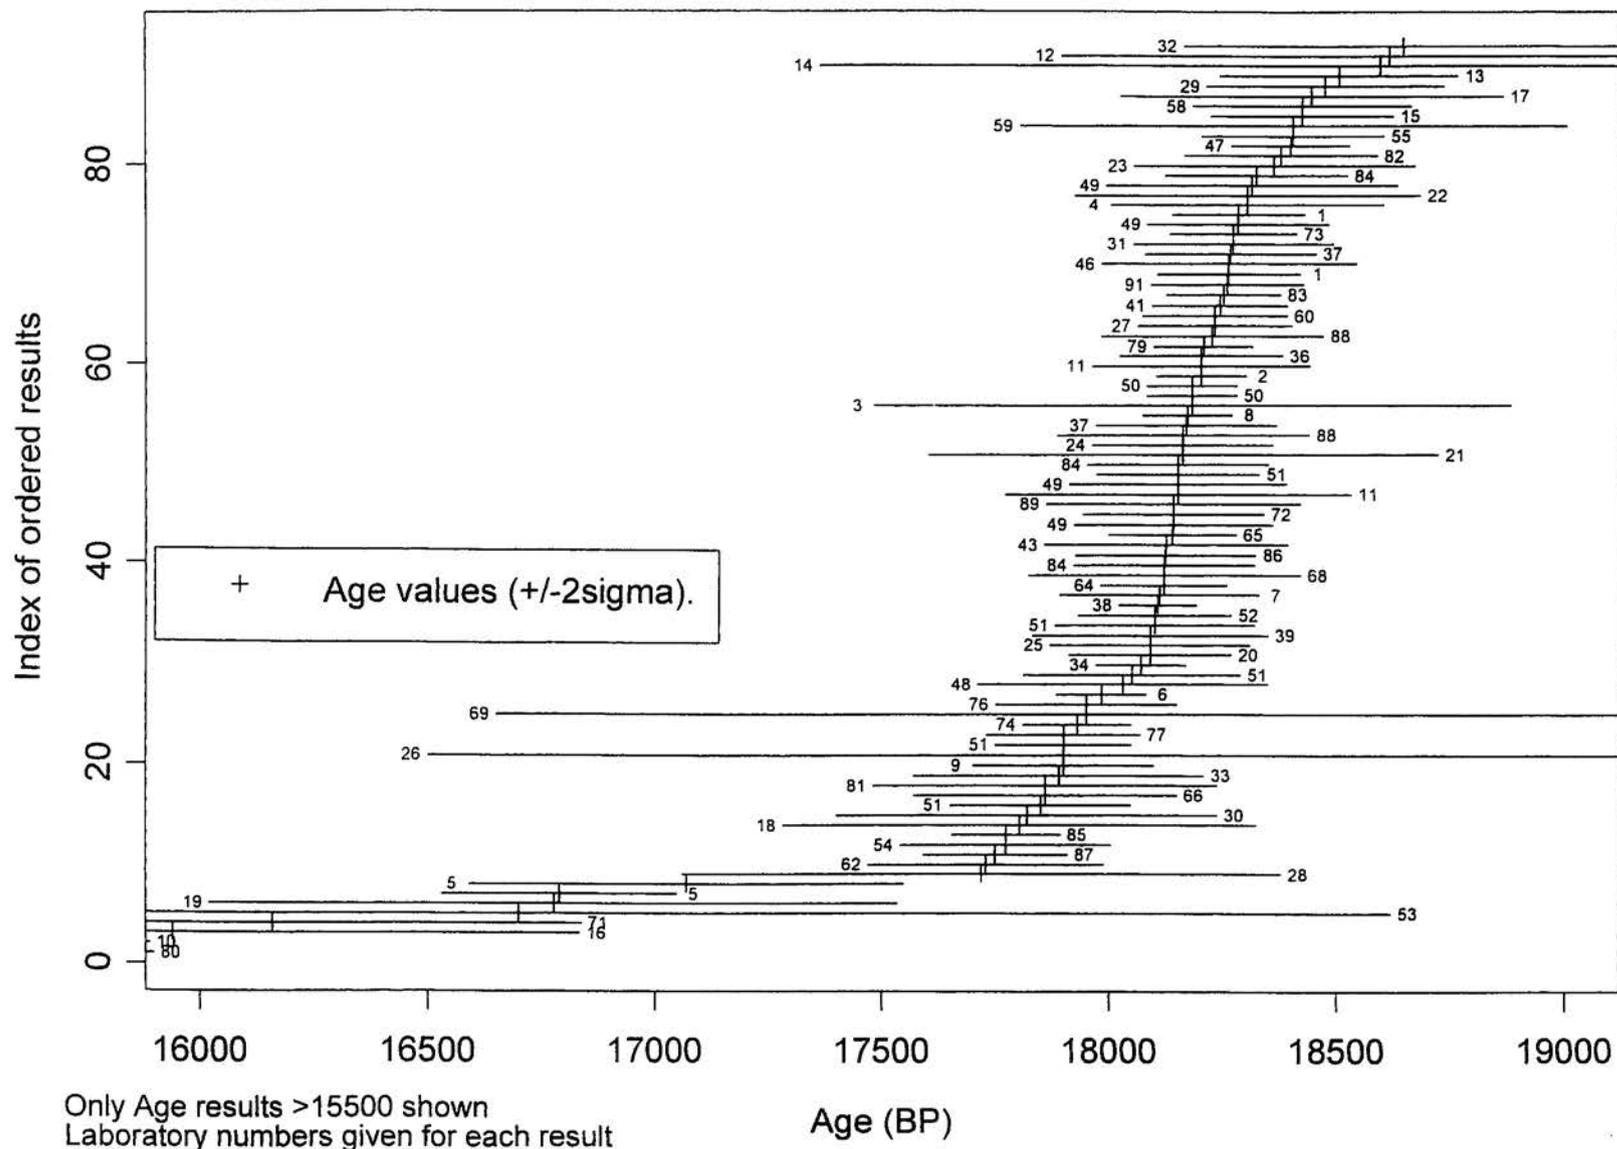

Only 0 ≤ pMC results < 1 shown
Laboratory numbers given for each result

Distribution plot of delta13C for Kauri B (all laboratories)

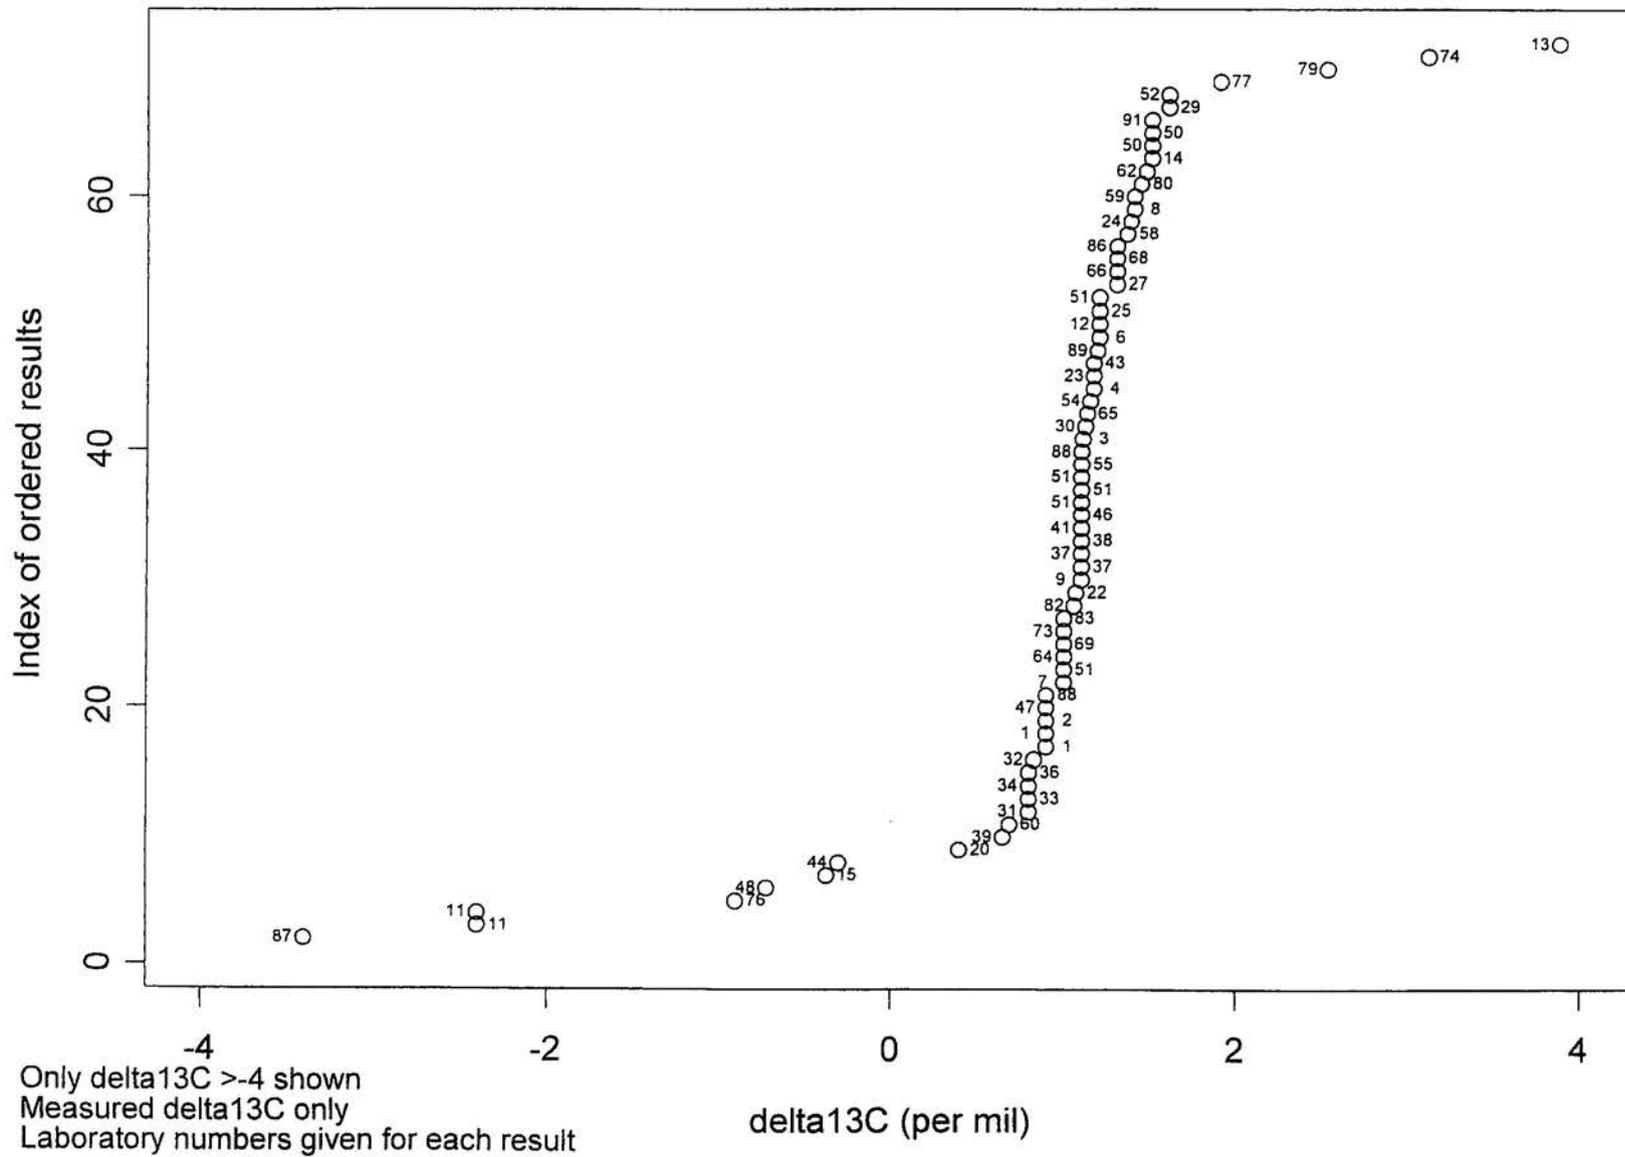

Laboratory numbers given for each result

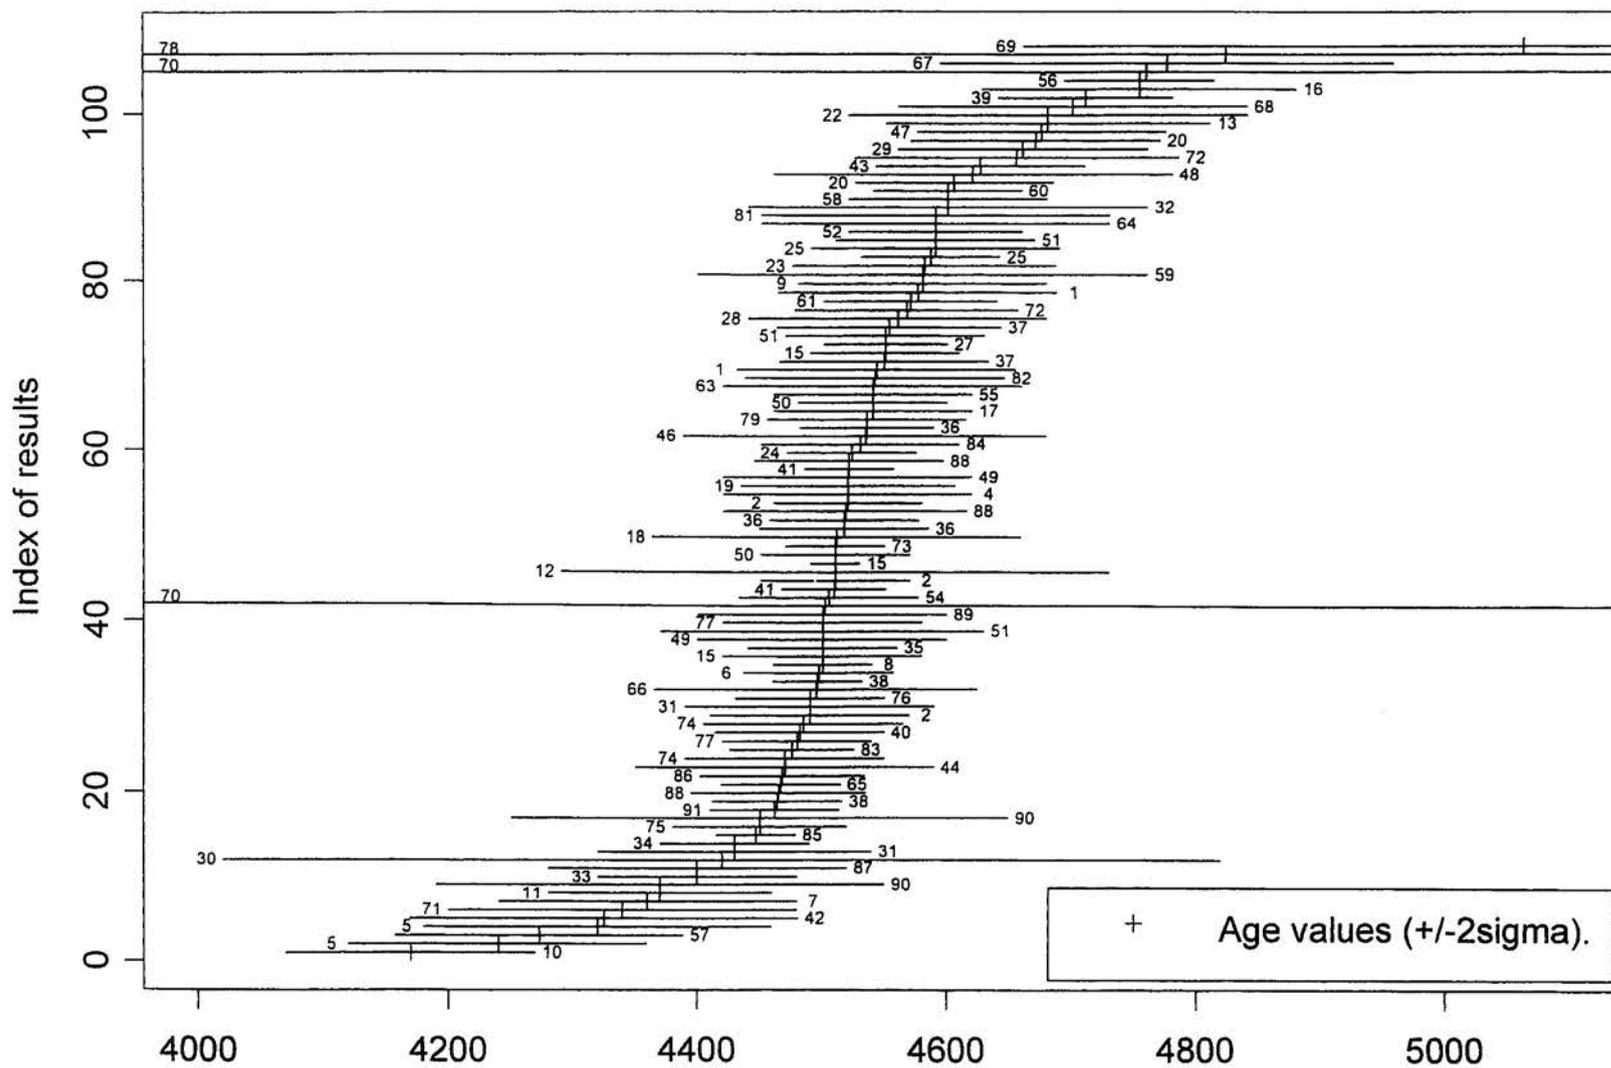

Distribution plot of Age +/- 2sigma for Turbidite, C, (all laboratories)

Distribution plot of delta13C for Turbidite, C, (all laboratories)

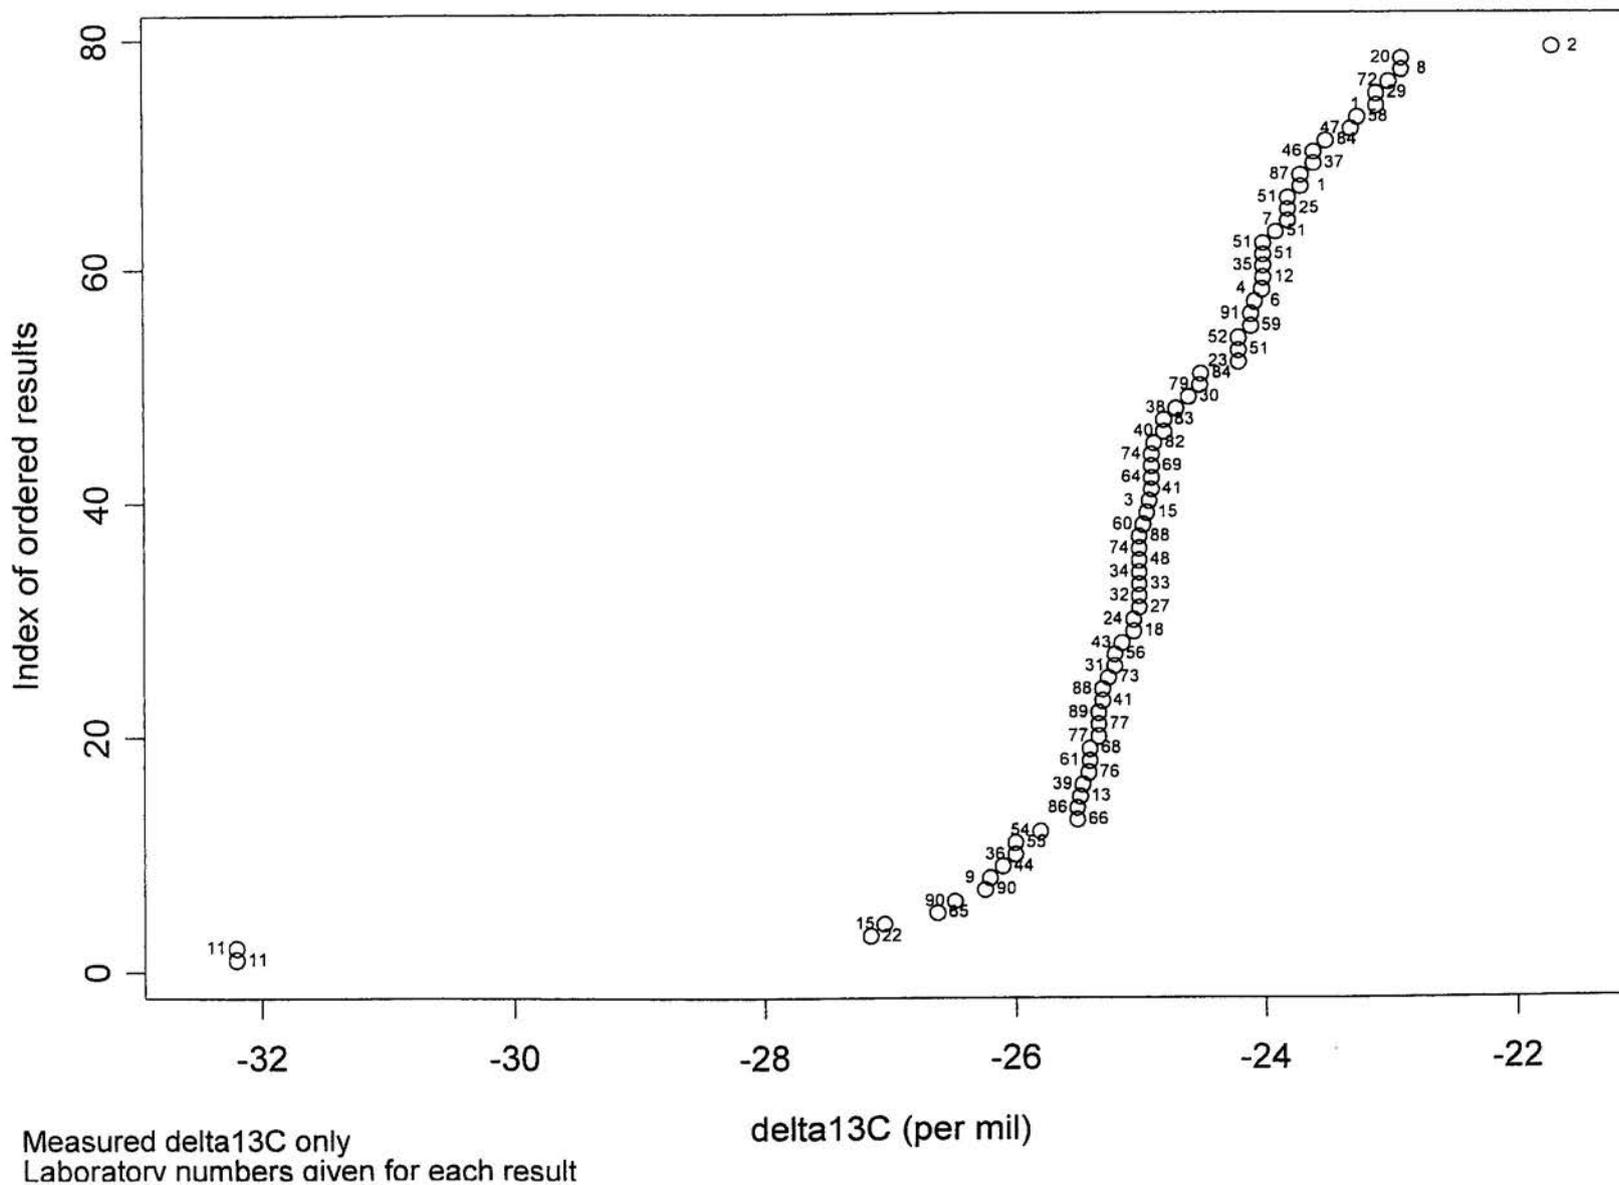

Distribution plot of Age $\pm 2\sigma$ for dendro wood, D, (all laboratories)

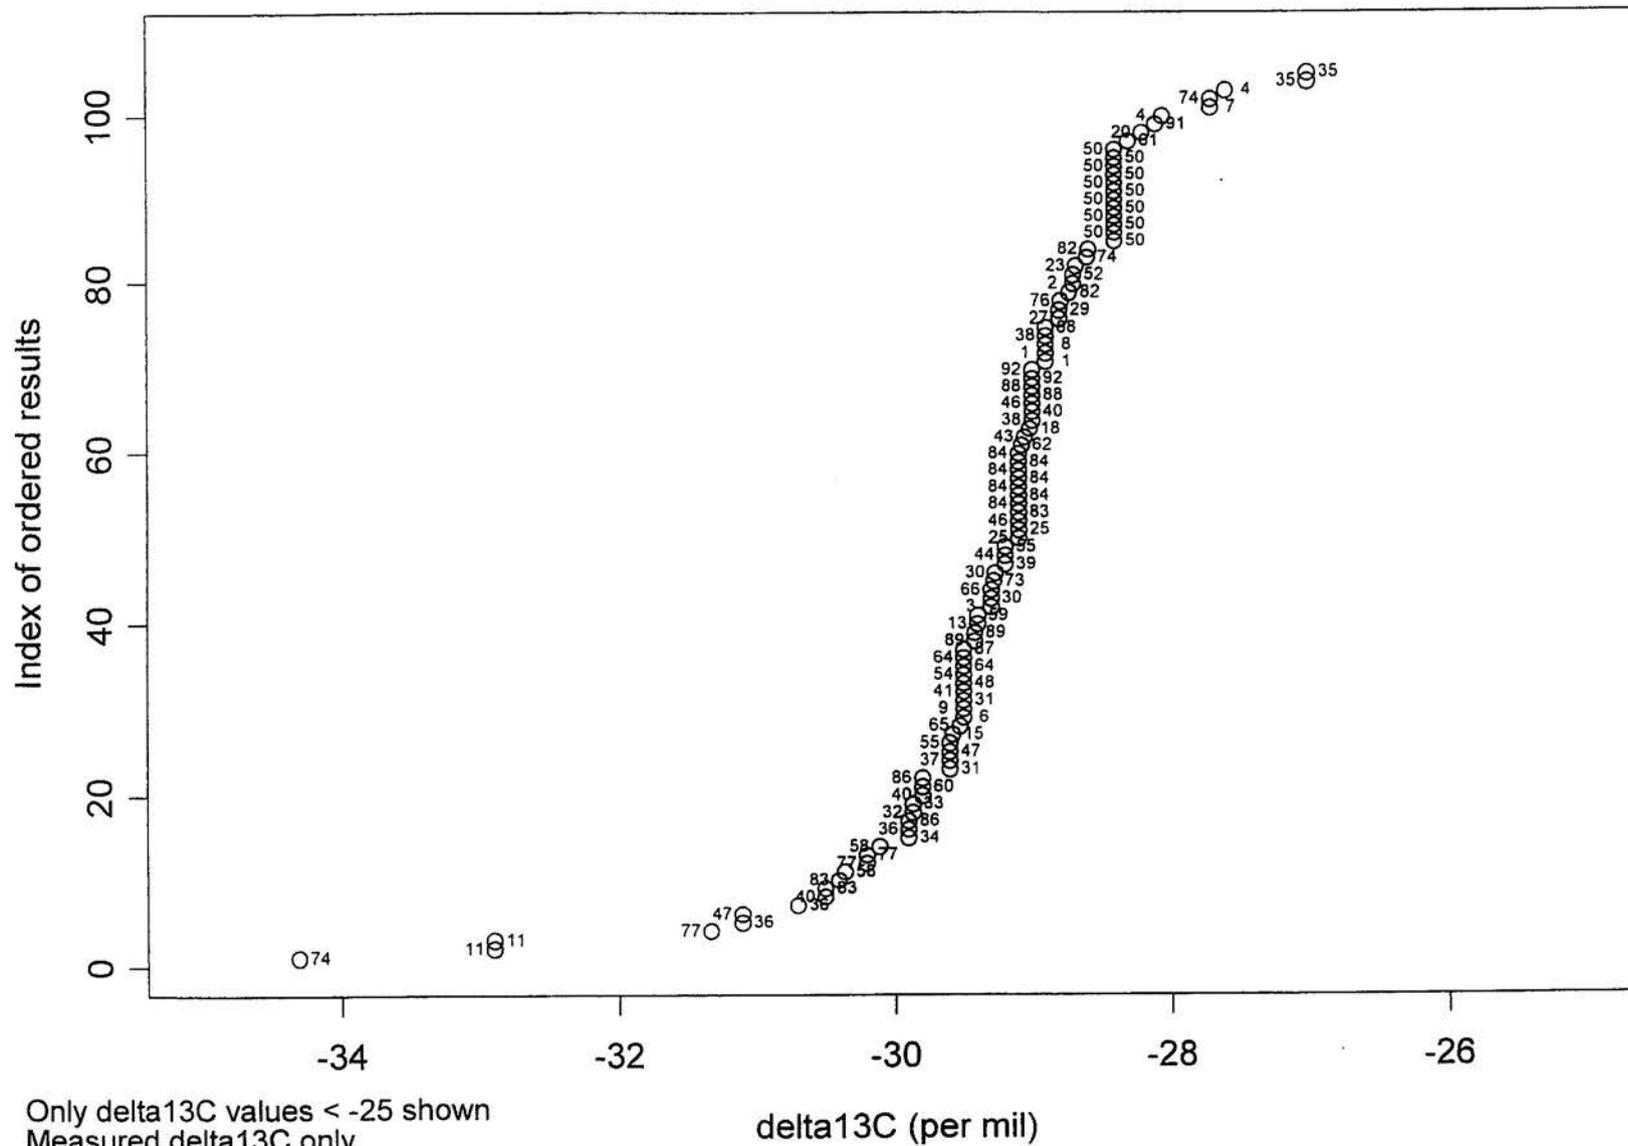

Only Age results >4000 shown
 Laboratory numbers given for each result

Age (BP)

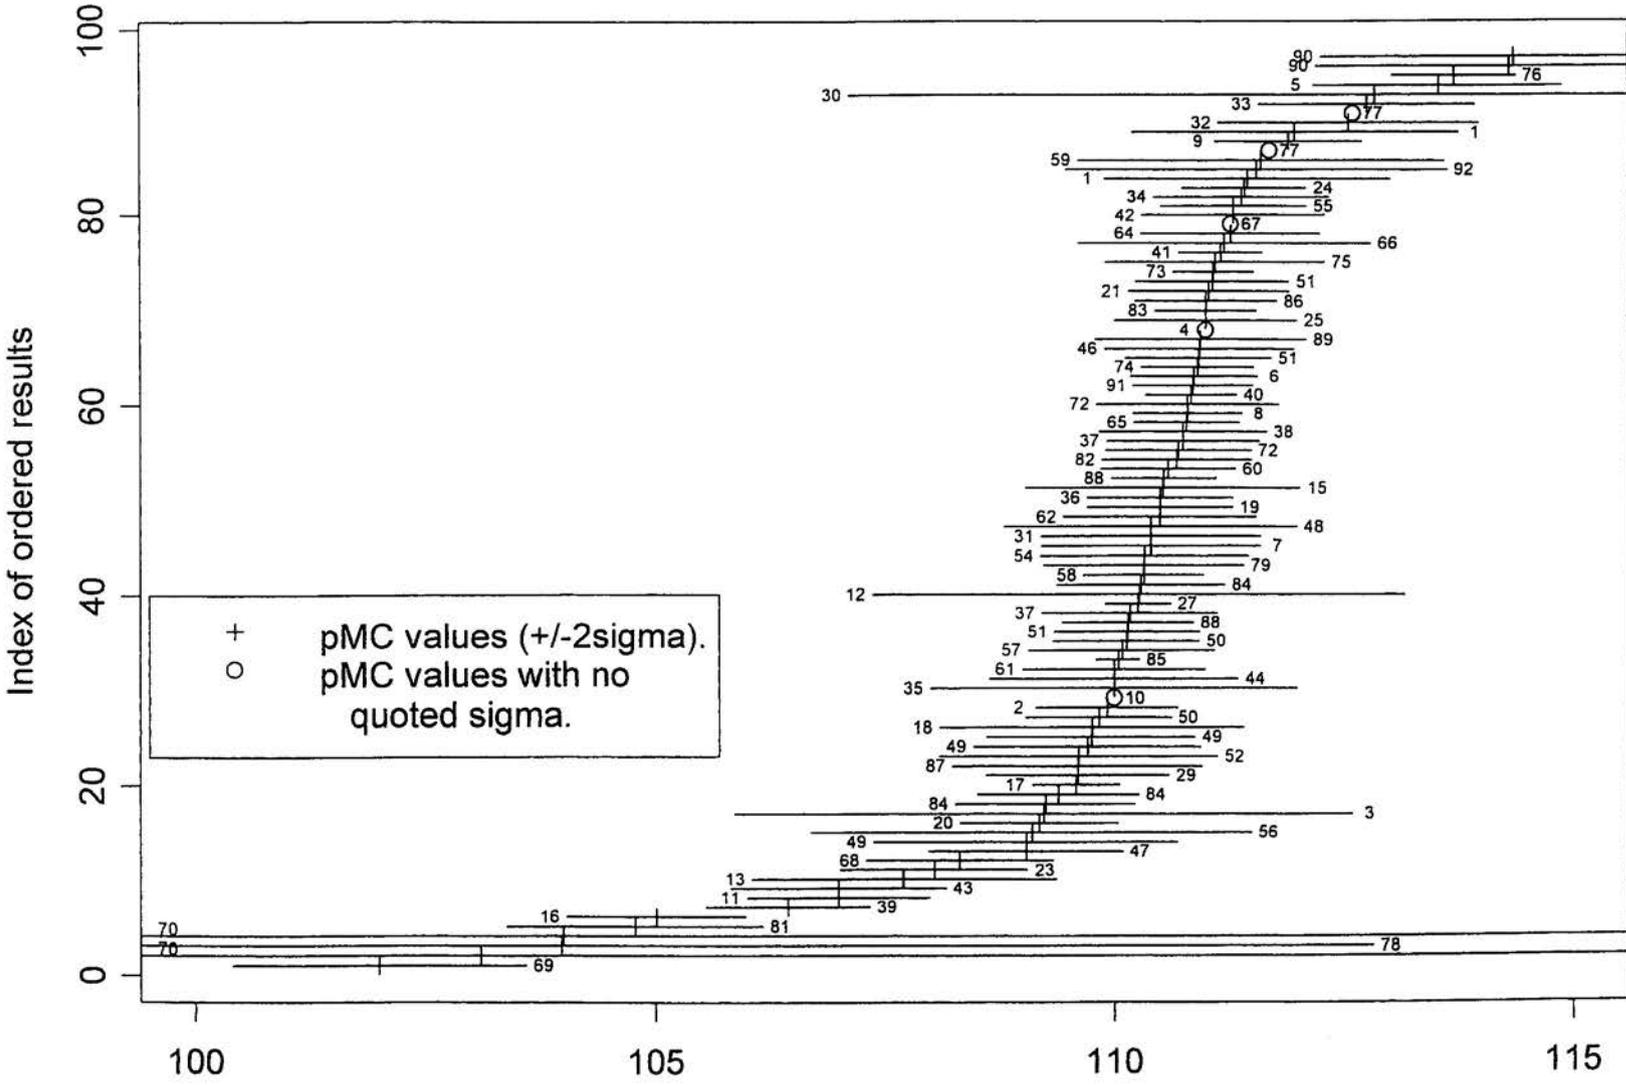

Distribution plot of delta13C for dendro wood, F, (all laboratories)

Distribution plot of delta13C for humic acid, E, (all laboratories)

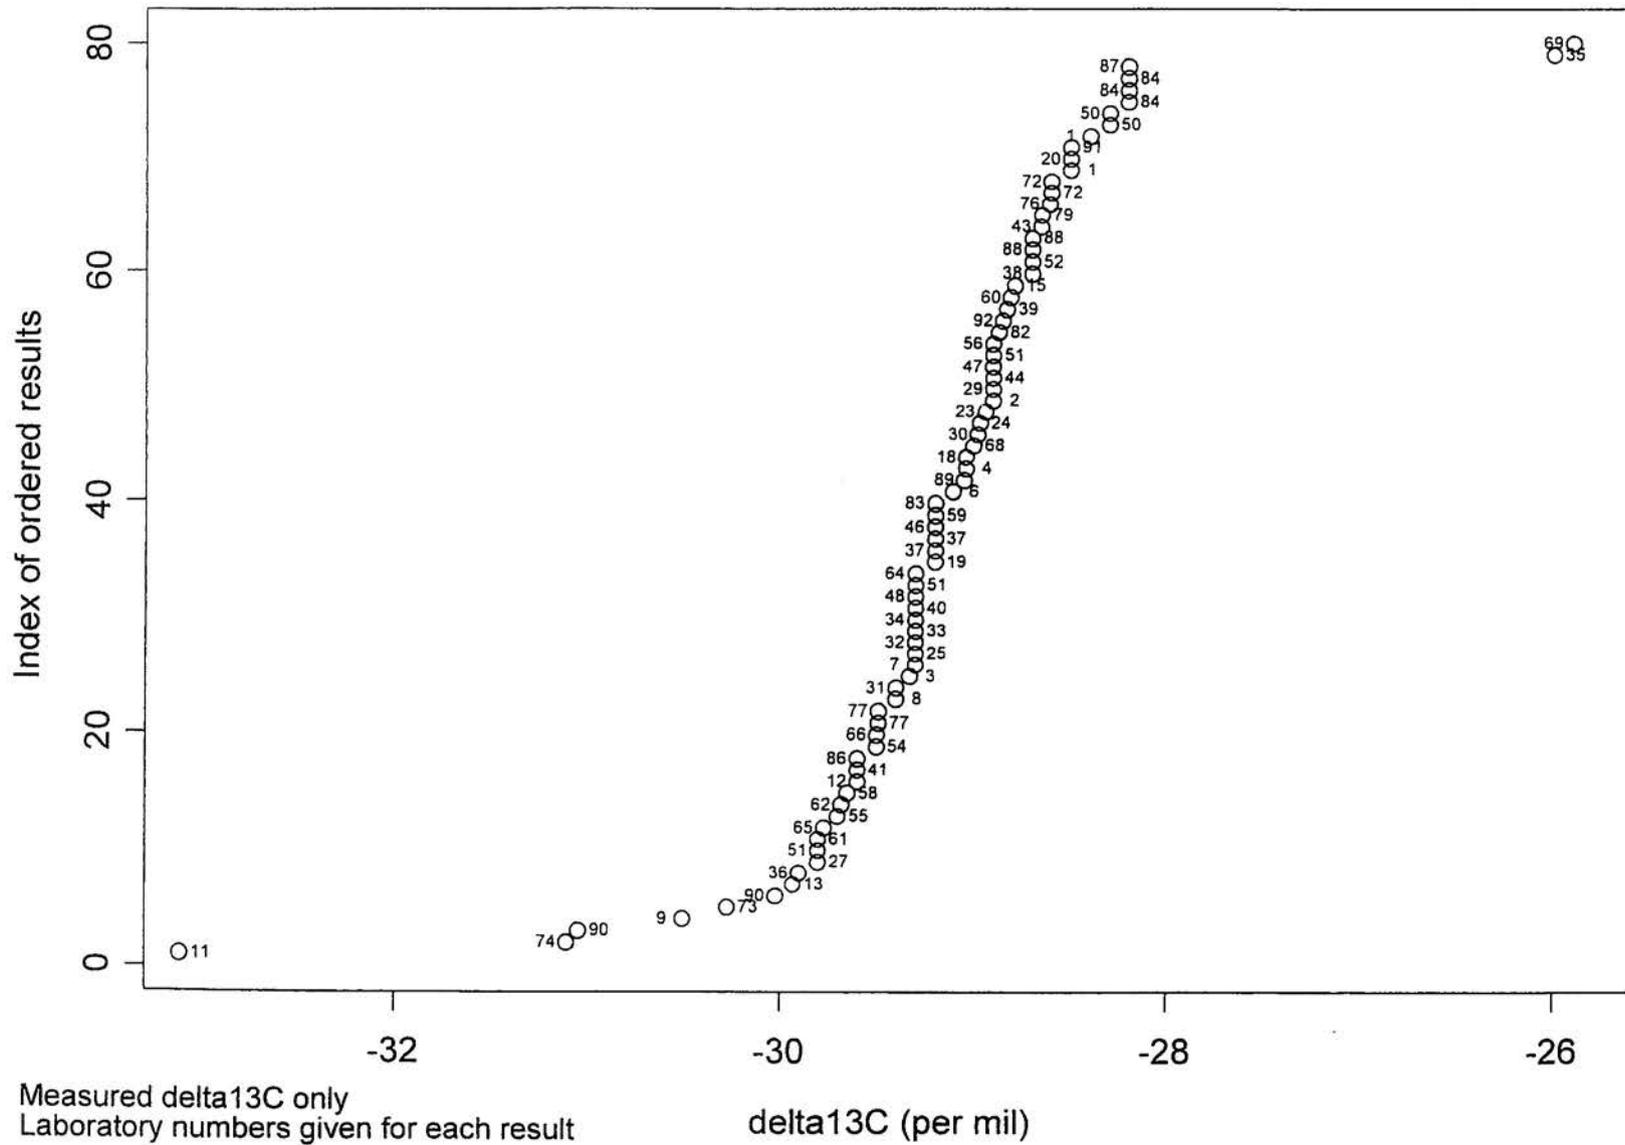

Distribution plot of pMC +/- 2sigma for barley mash, G, (all laboratories)

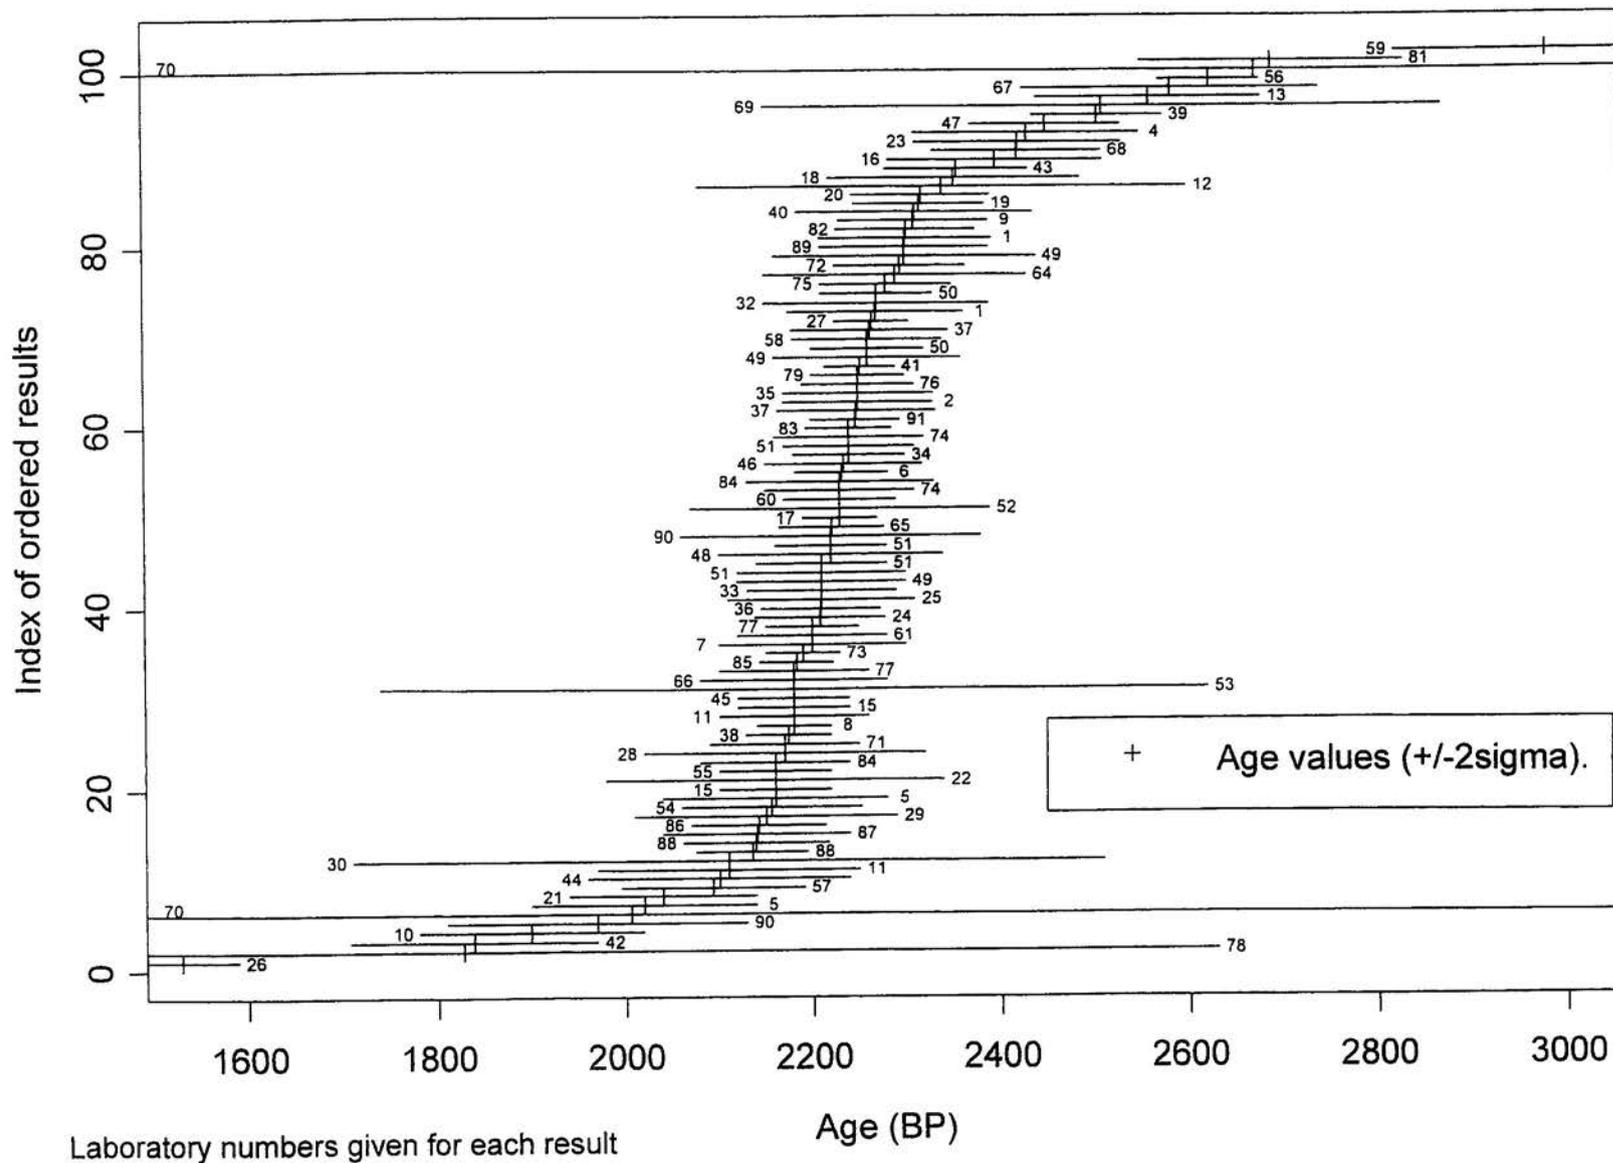

Only pMC results >100 and <115 shown
 Laboratory numbers given for each result

pMC (%)

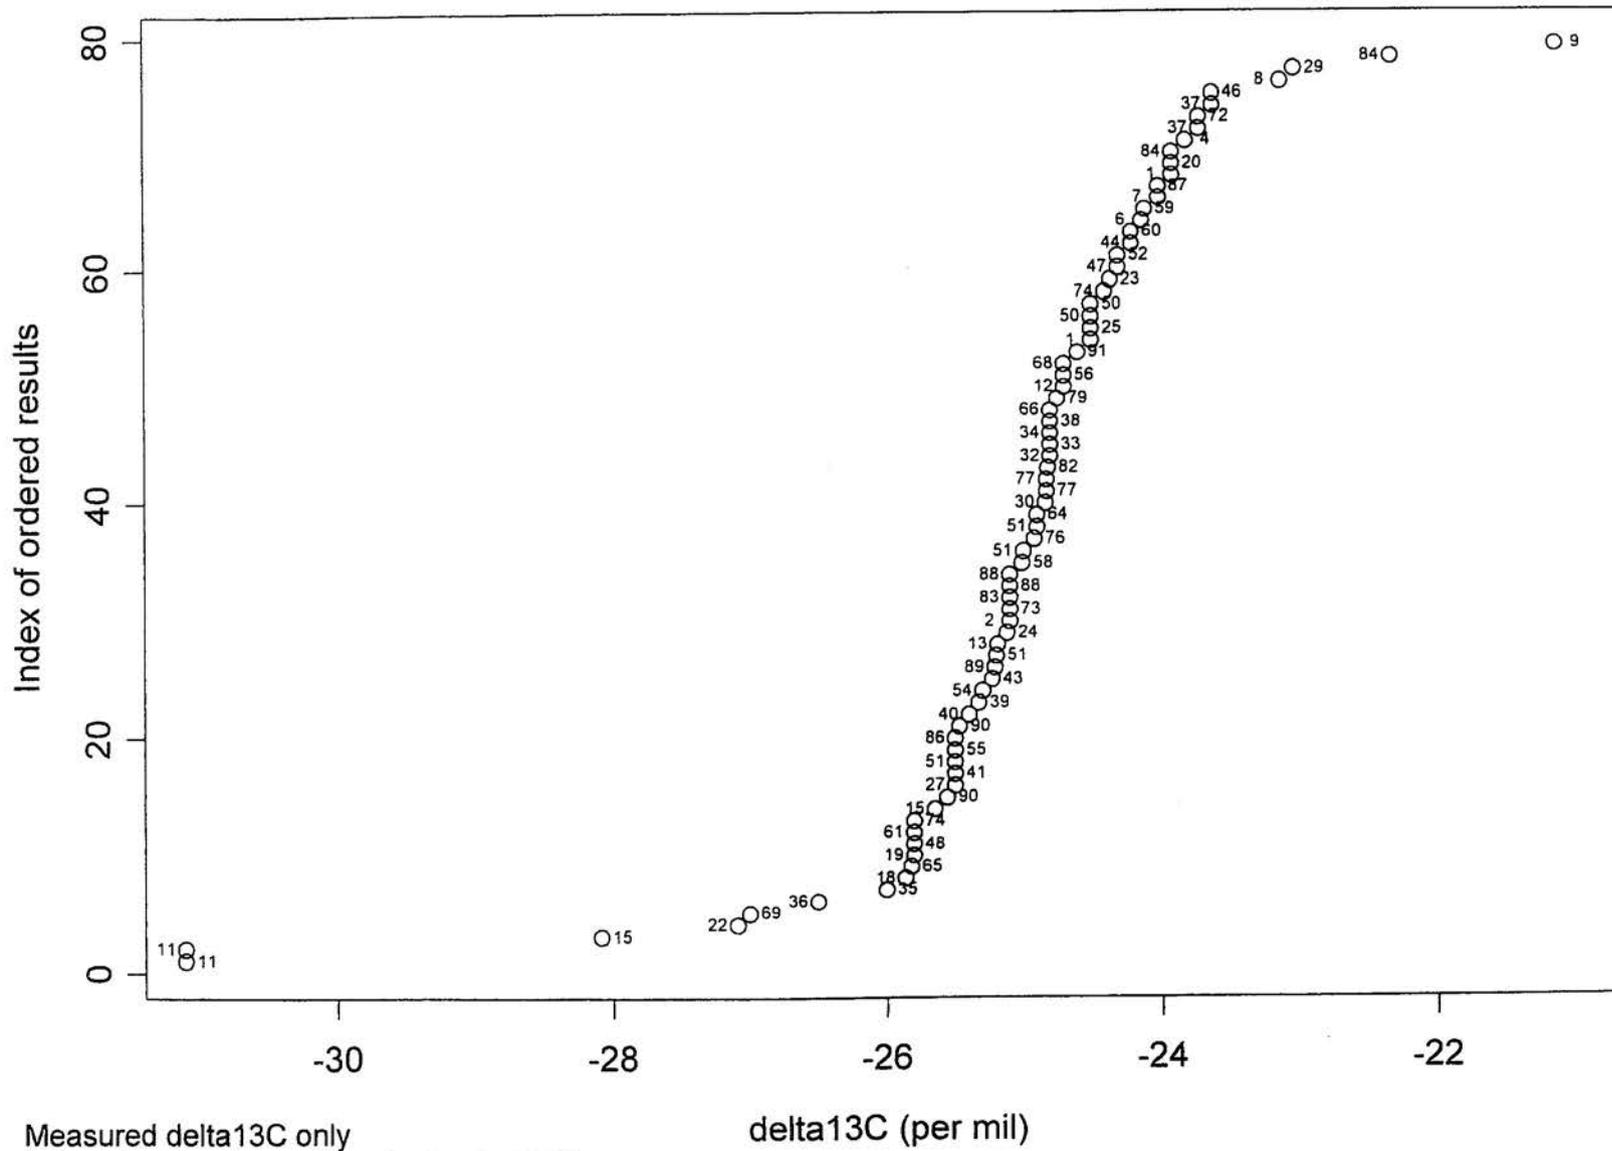

Distribution plot of delta13C for barley mash, G, (all laboratories)

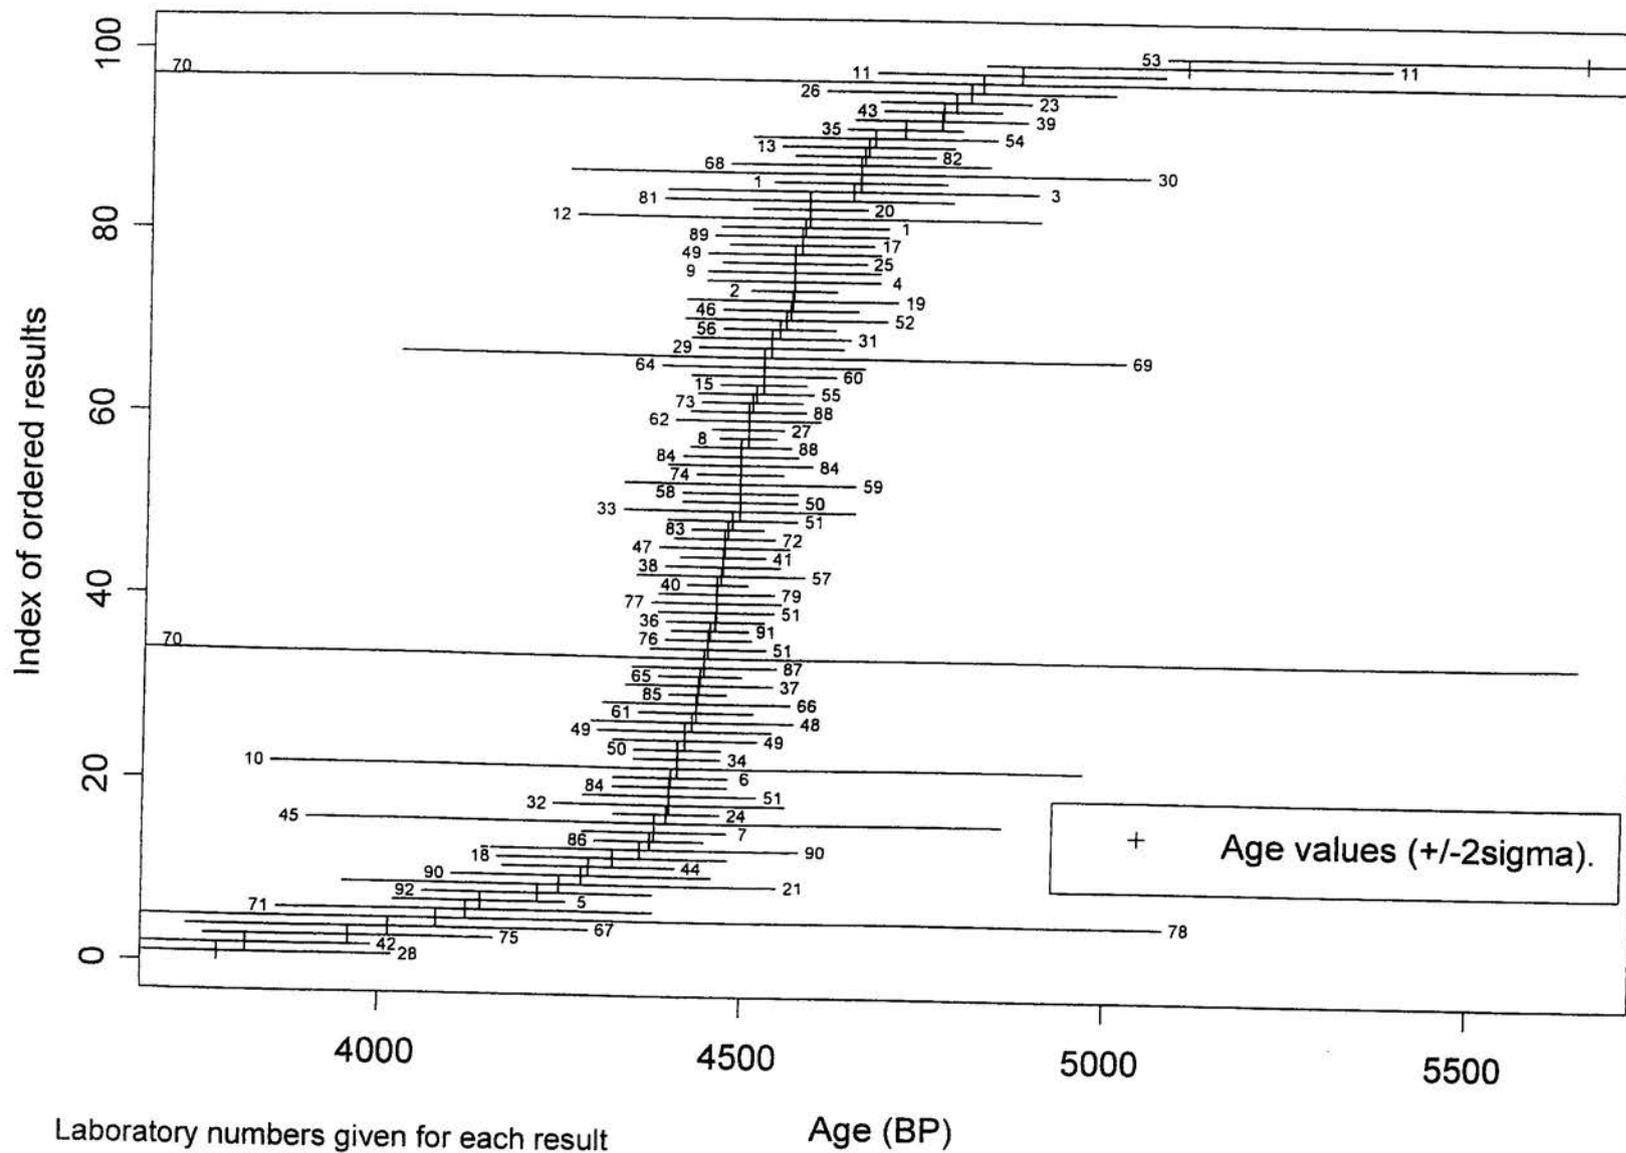

Distribution plot of Age $\pm 2\sigma$ for dendro wood, H, (all laboratories)

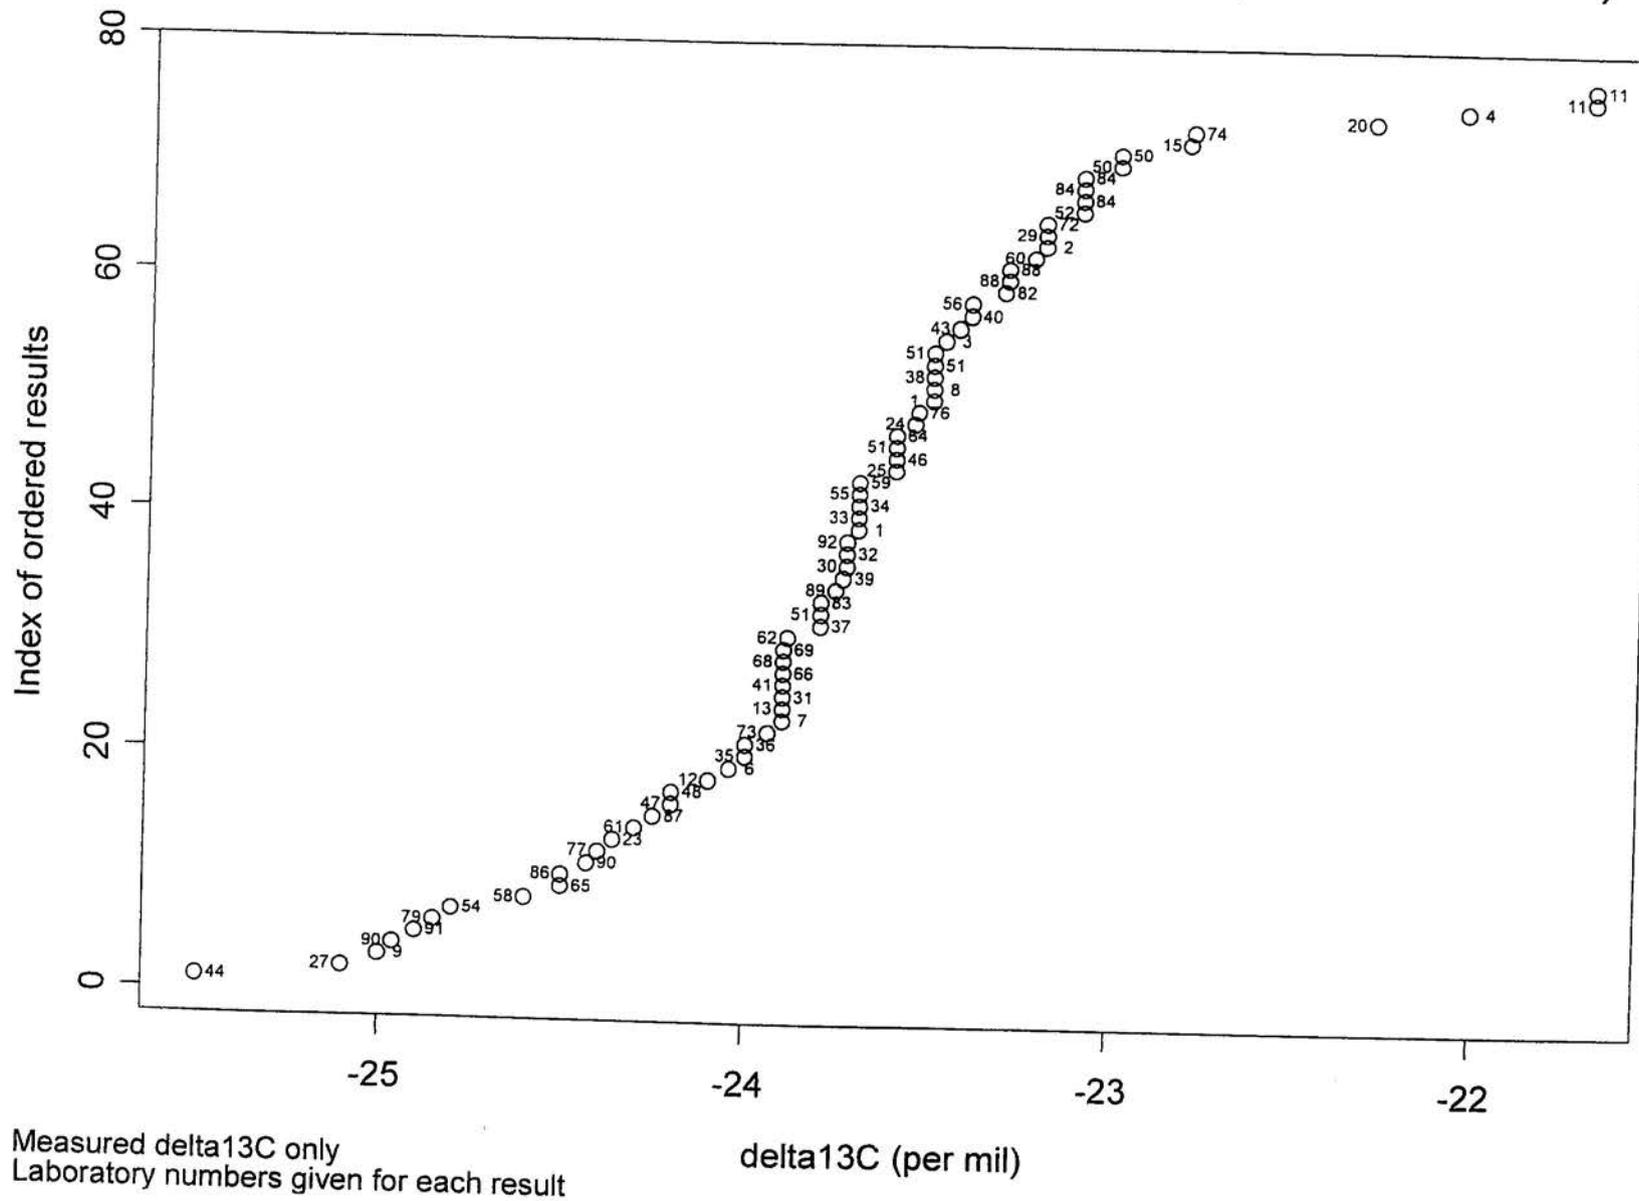

Distribution plot of delta13C for dendro wood, H, (all laboratories)

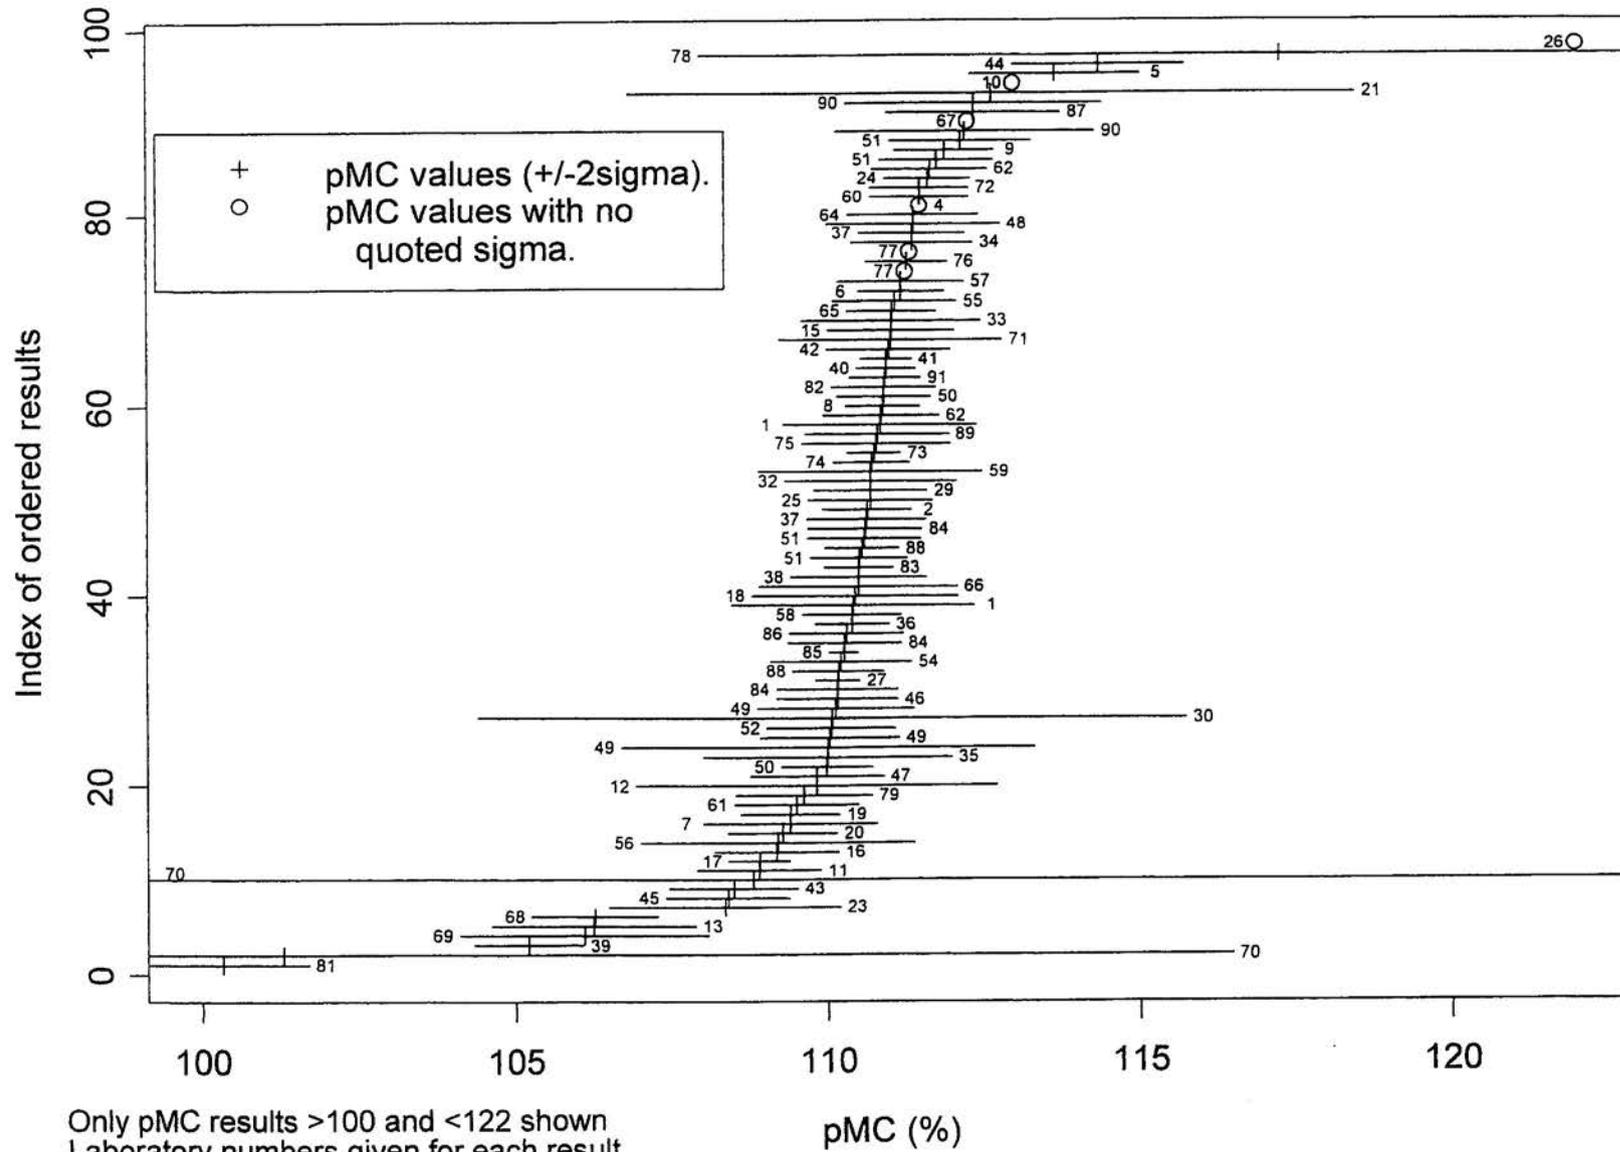

Distribution plot of Age $\pm 2\sigma$ for cellulose, I, (all laboratories)

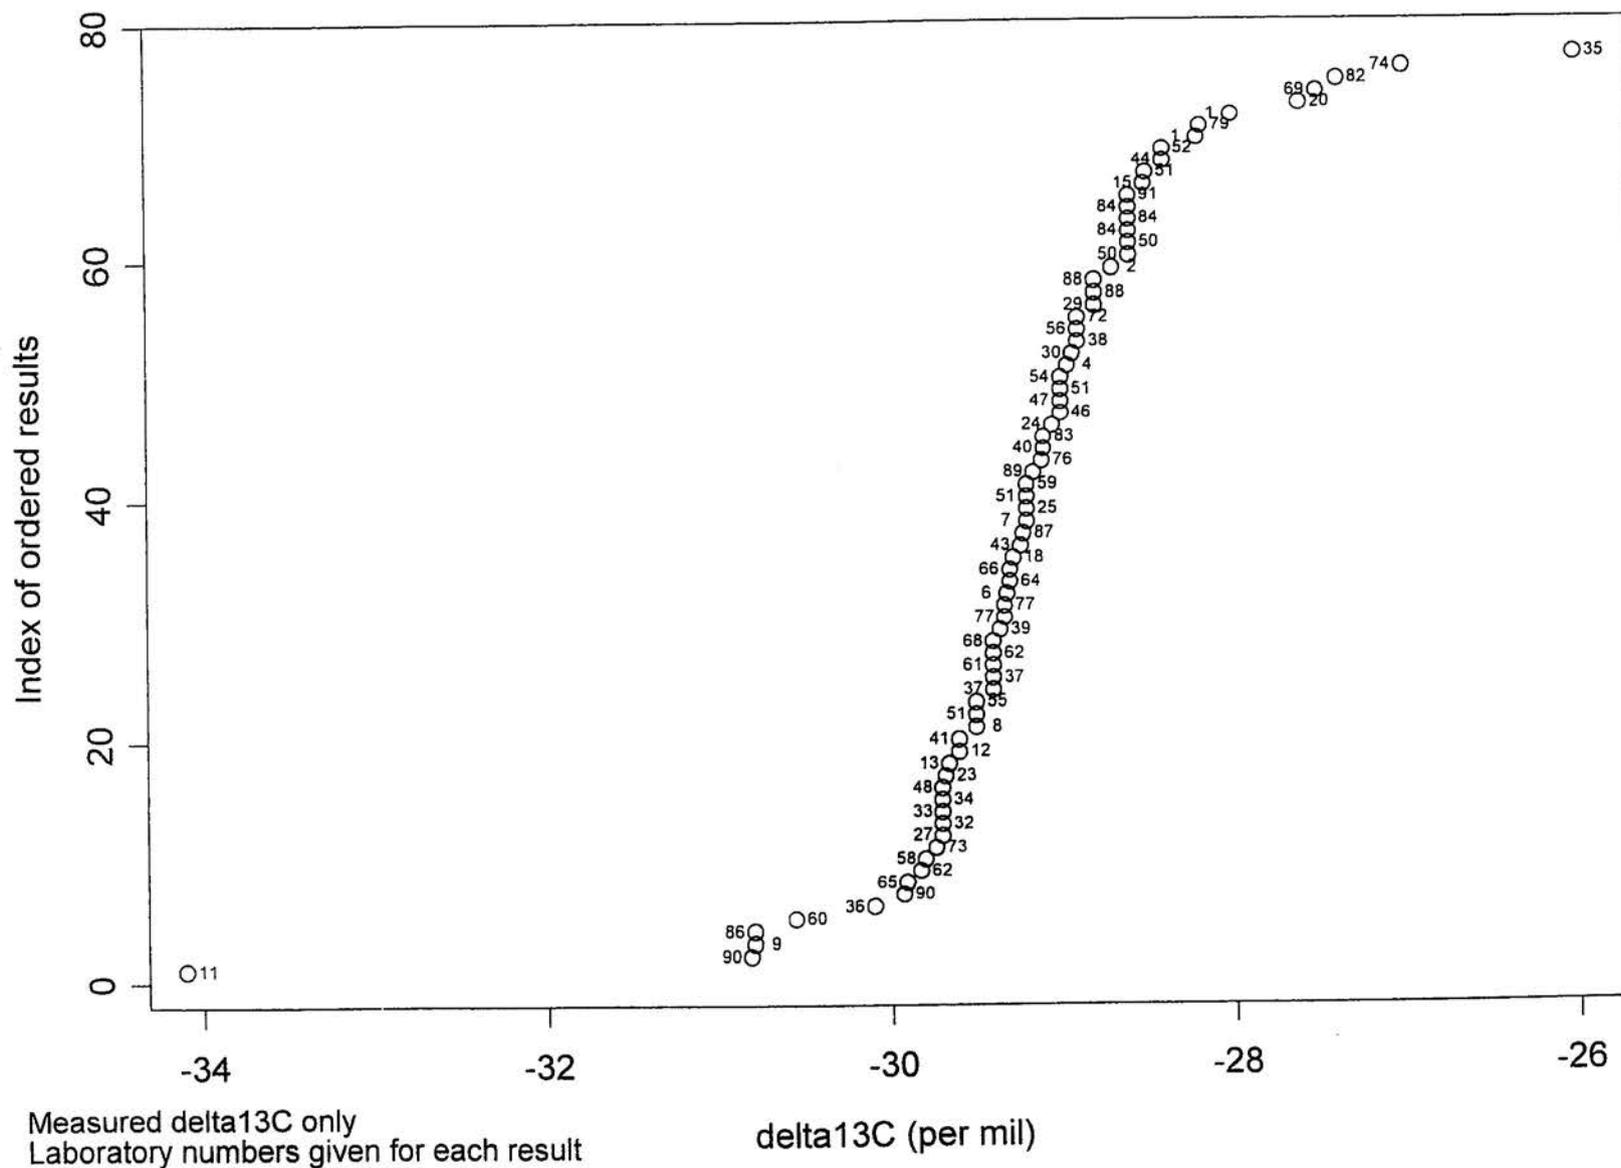

Distribution plot of delta13C for cellulose, I, (all laboratories)

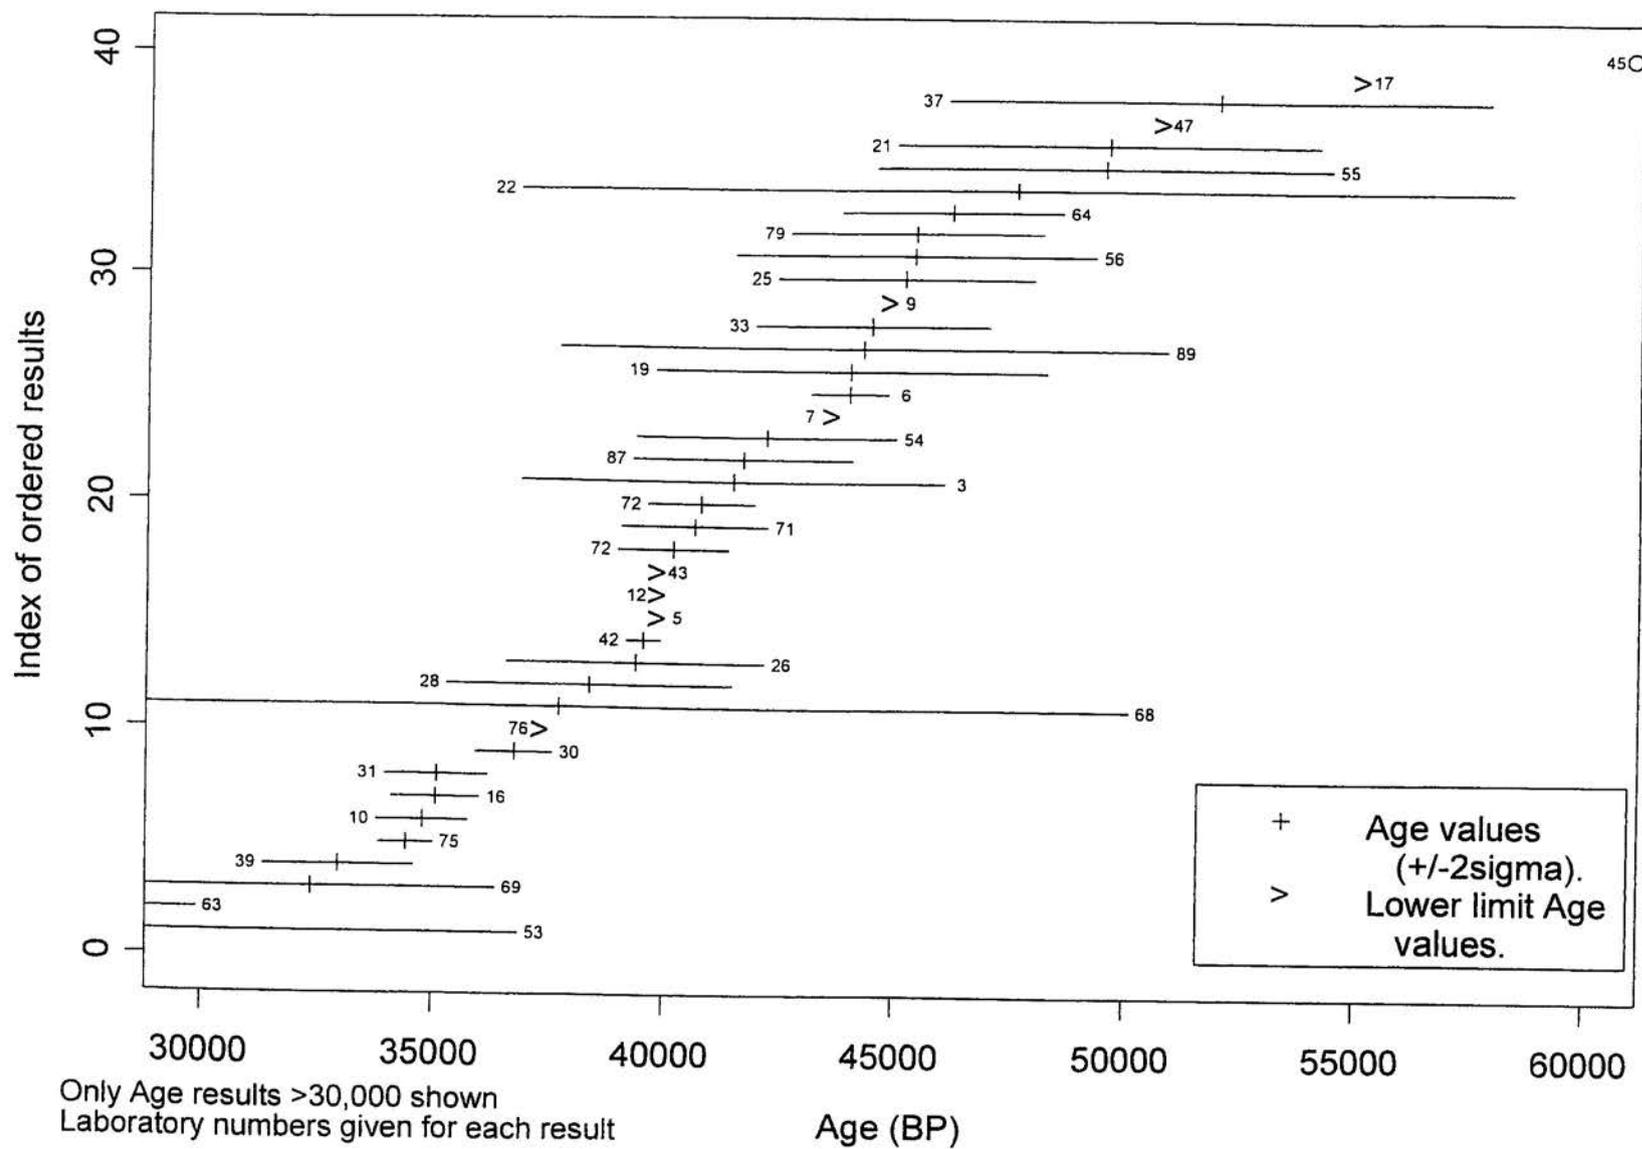

Distribution plot of pMC +/- 2sigma for barley mash, J, (all laboratories)

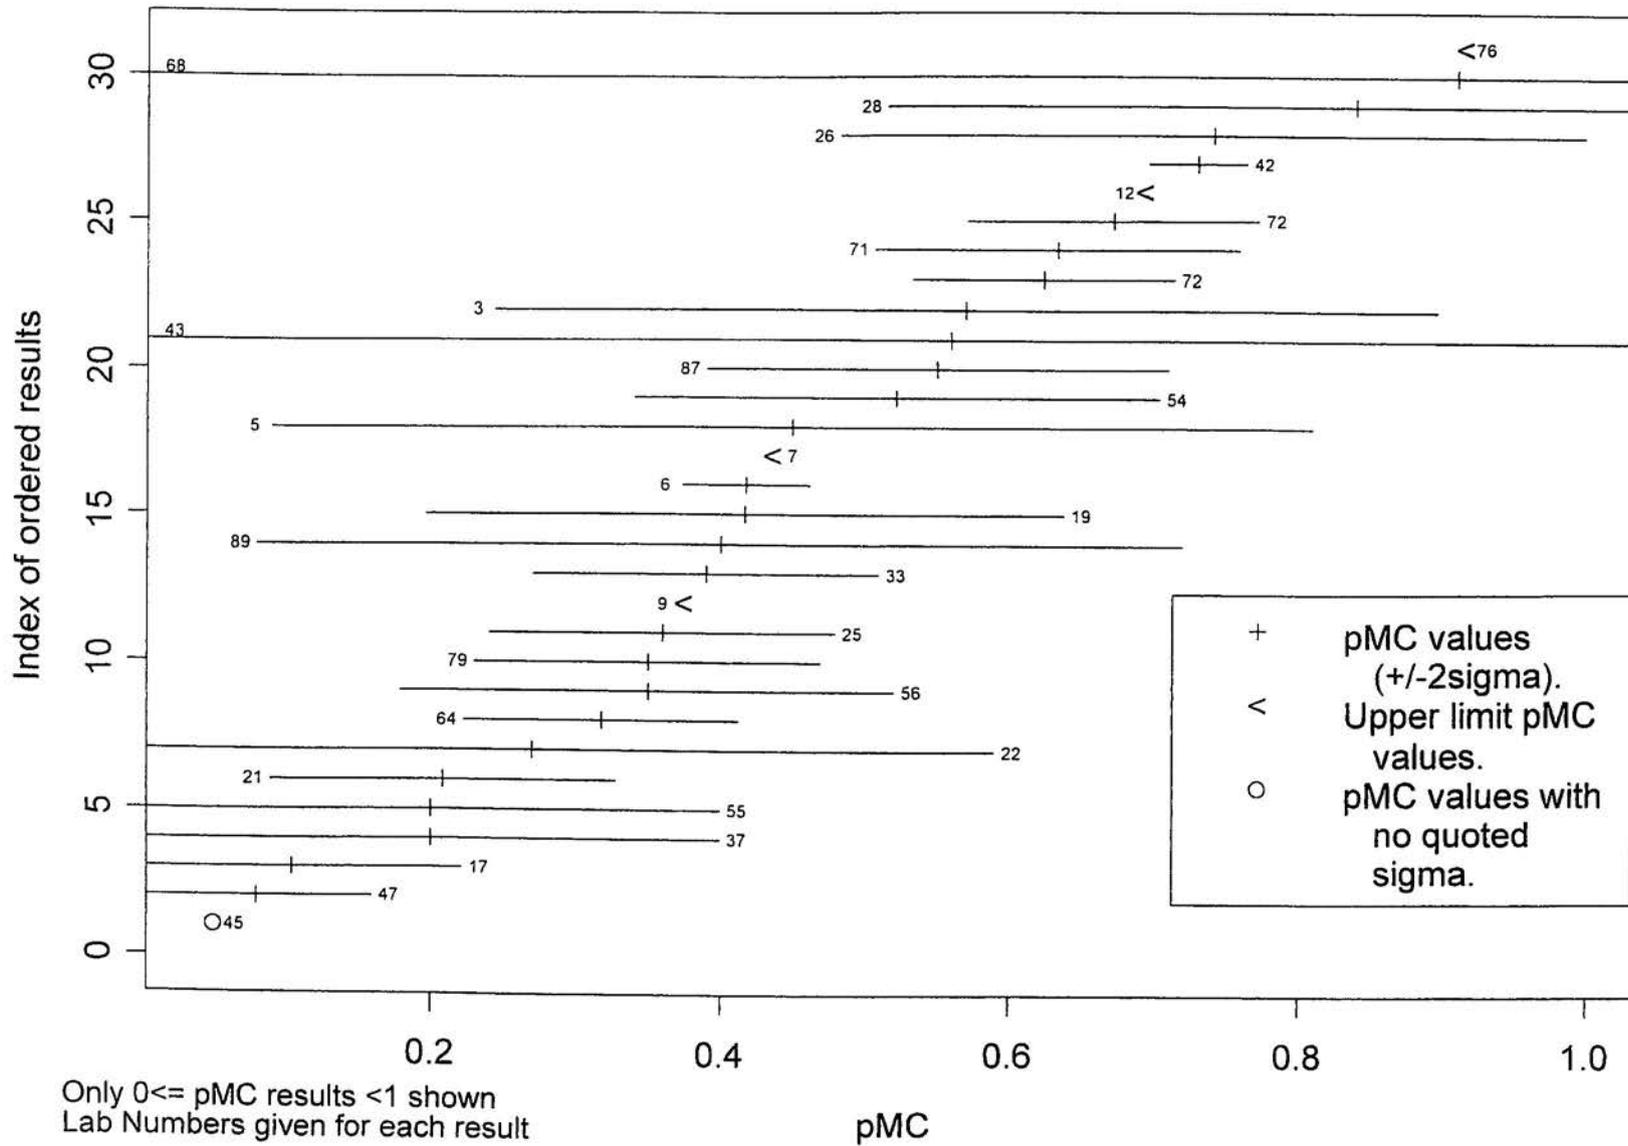

Distribution plot of delta13C for barley mash, J, (all laboratories)

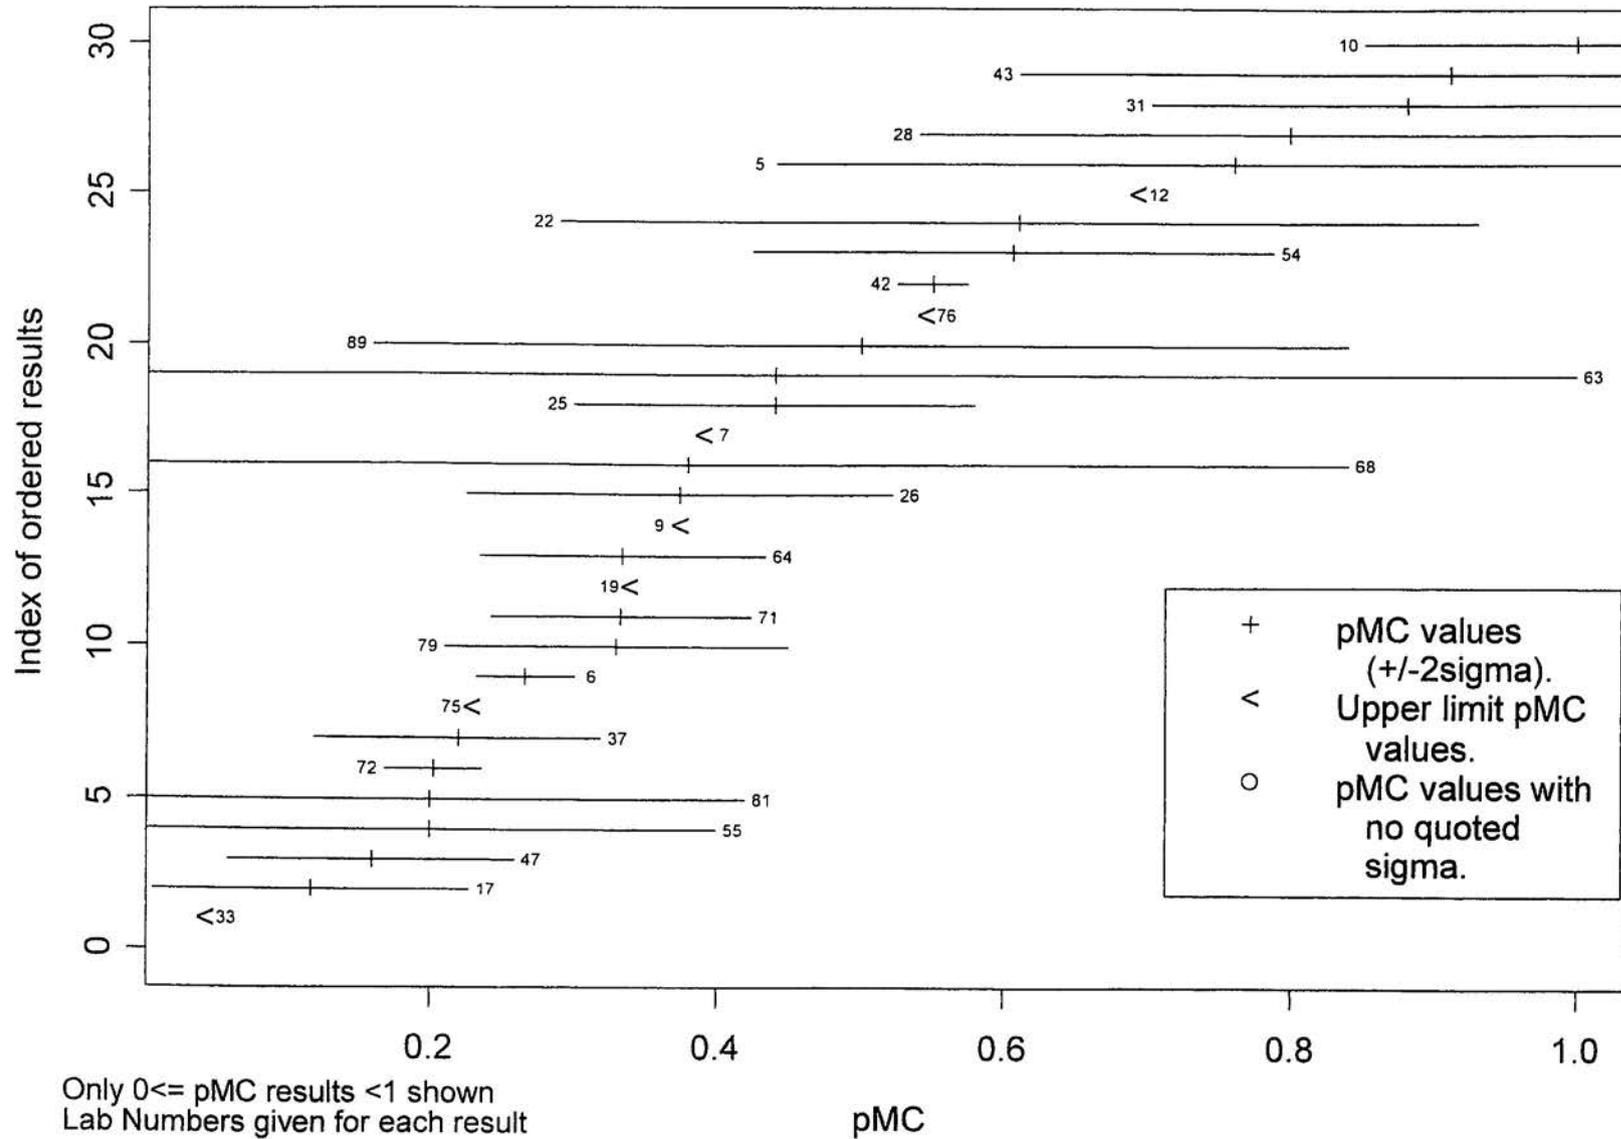

Distribution plot, for LSC laboratories, of Age $\pm 2\sigma$ for Kauri A

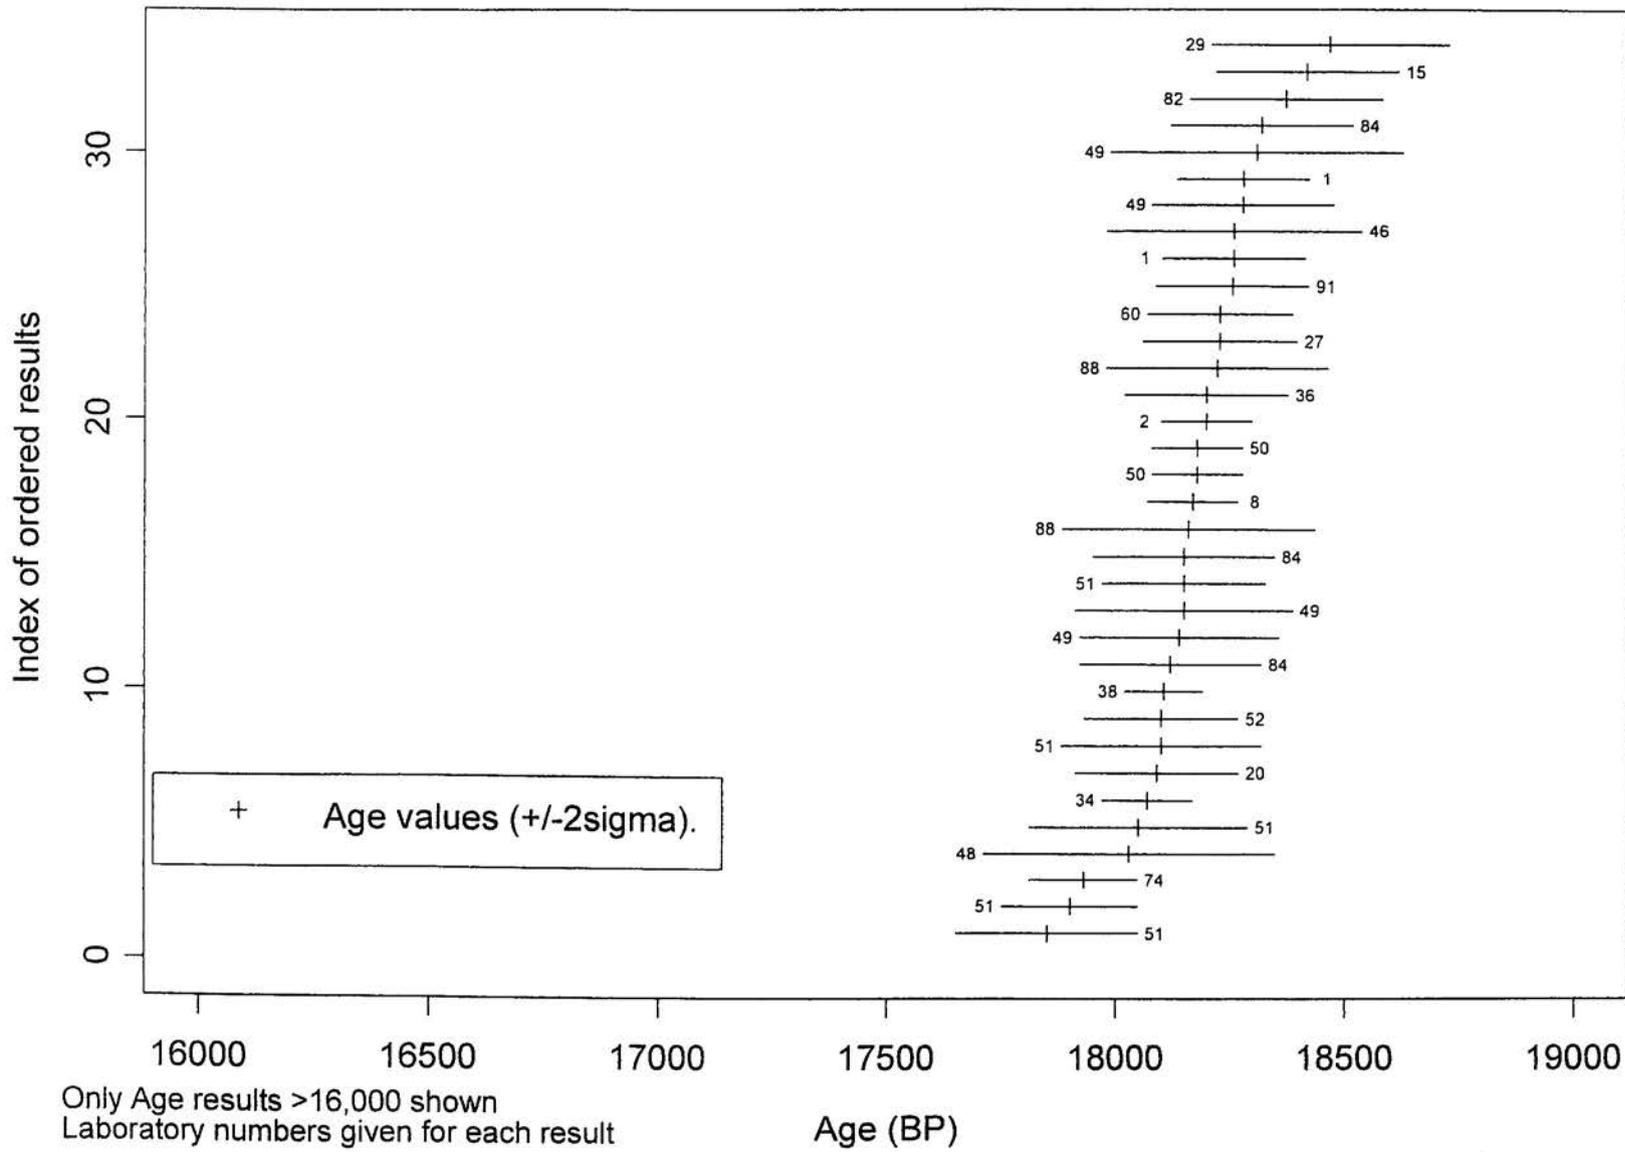

Distribution plot, for LSC laboratories, of pMC +/- 2sigma for Kauri A

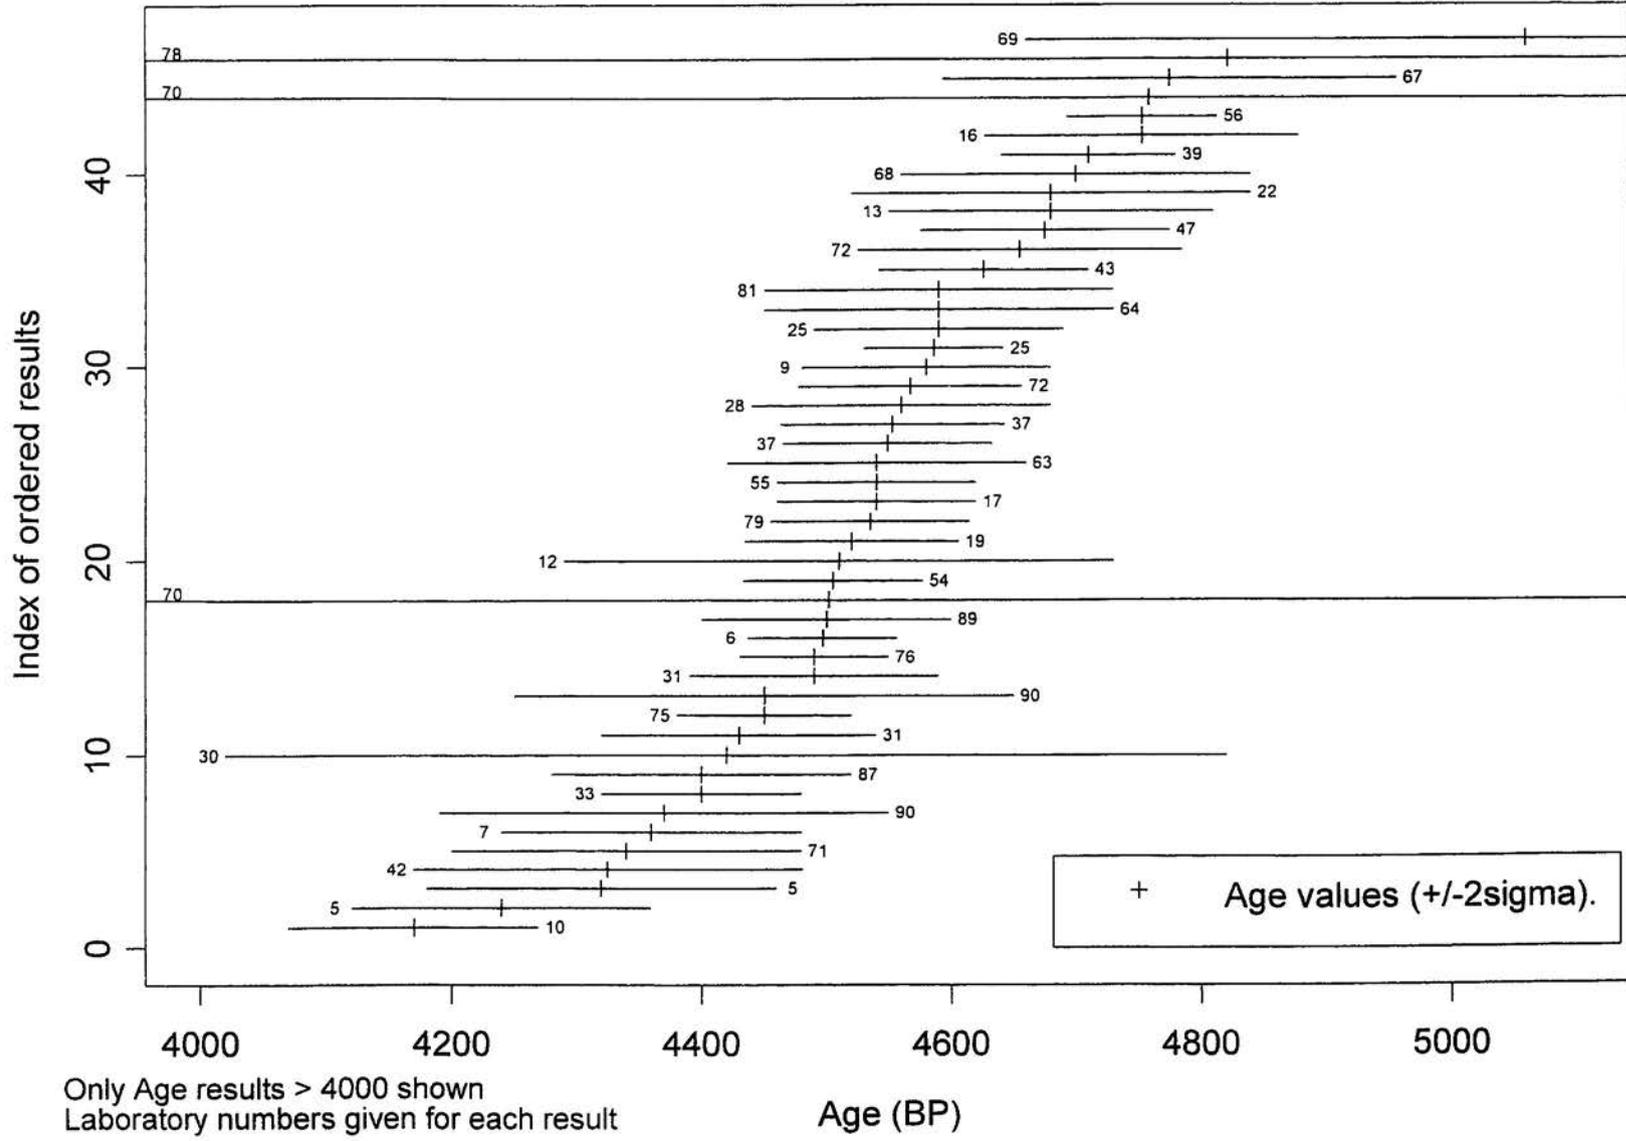

Distribution plot, for LSC laboratories, of pMC +/- 2sigma for Kauri B

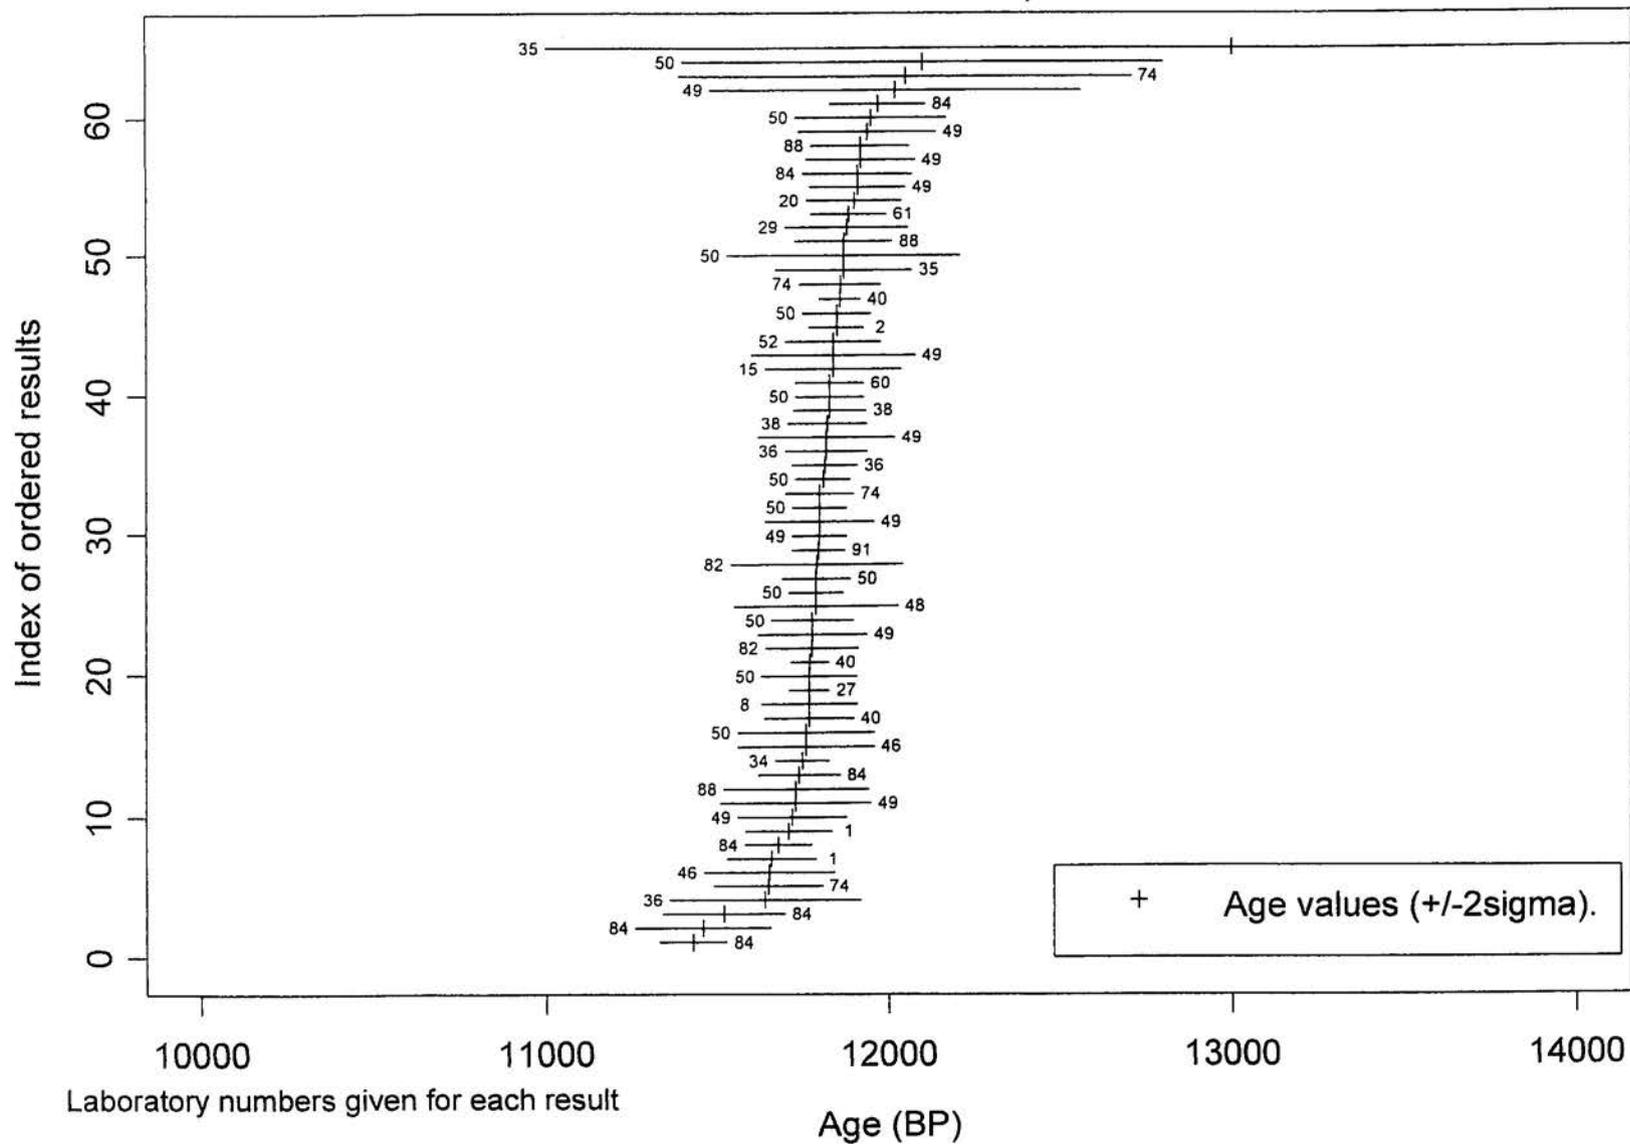

Distribution plot, for AMS laboratories, of Age $\pm 2\sigma$ for Turbidite, C

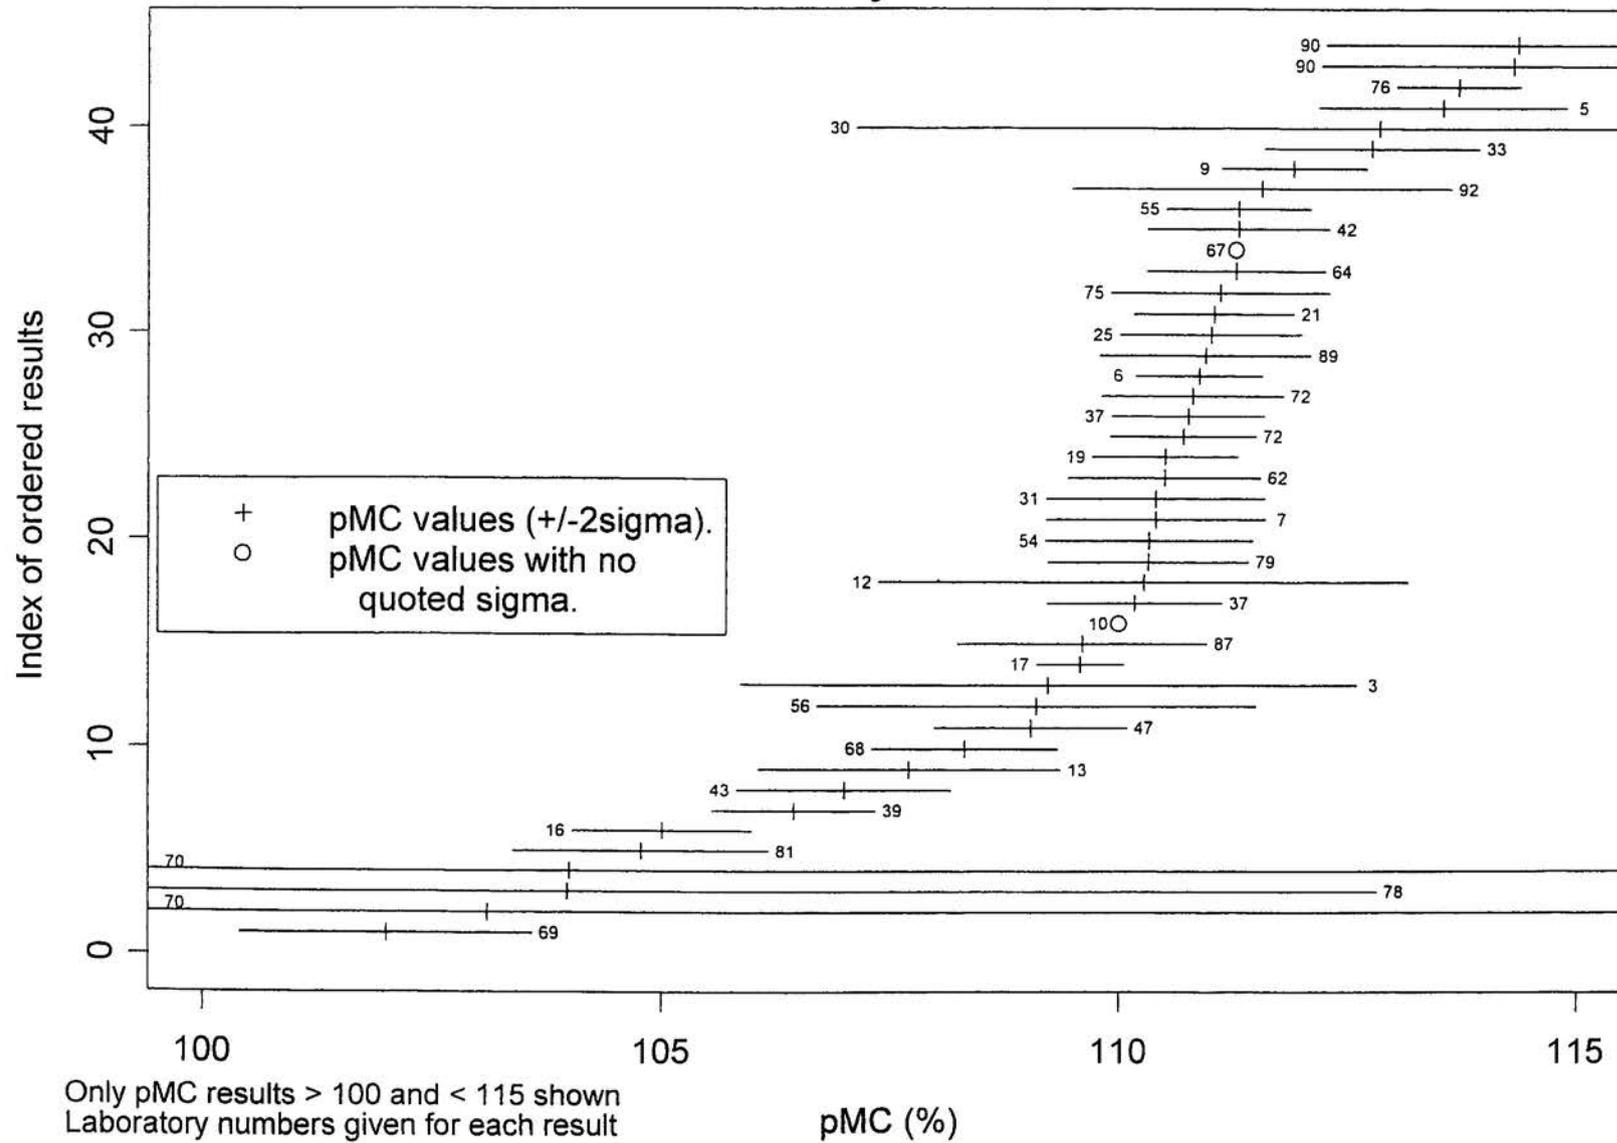

Distribution plot, for LSC laboratories, of Age $\pm 2\sigma$ for Belfast dendro wood, D

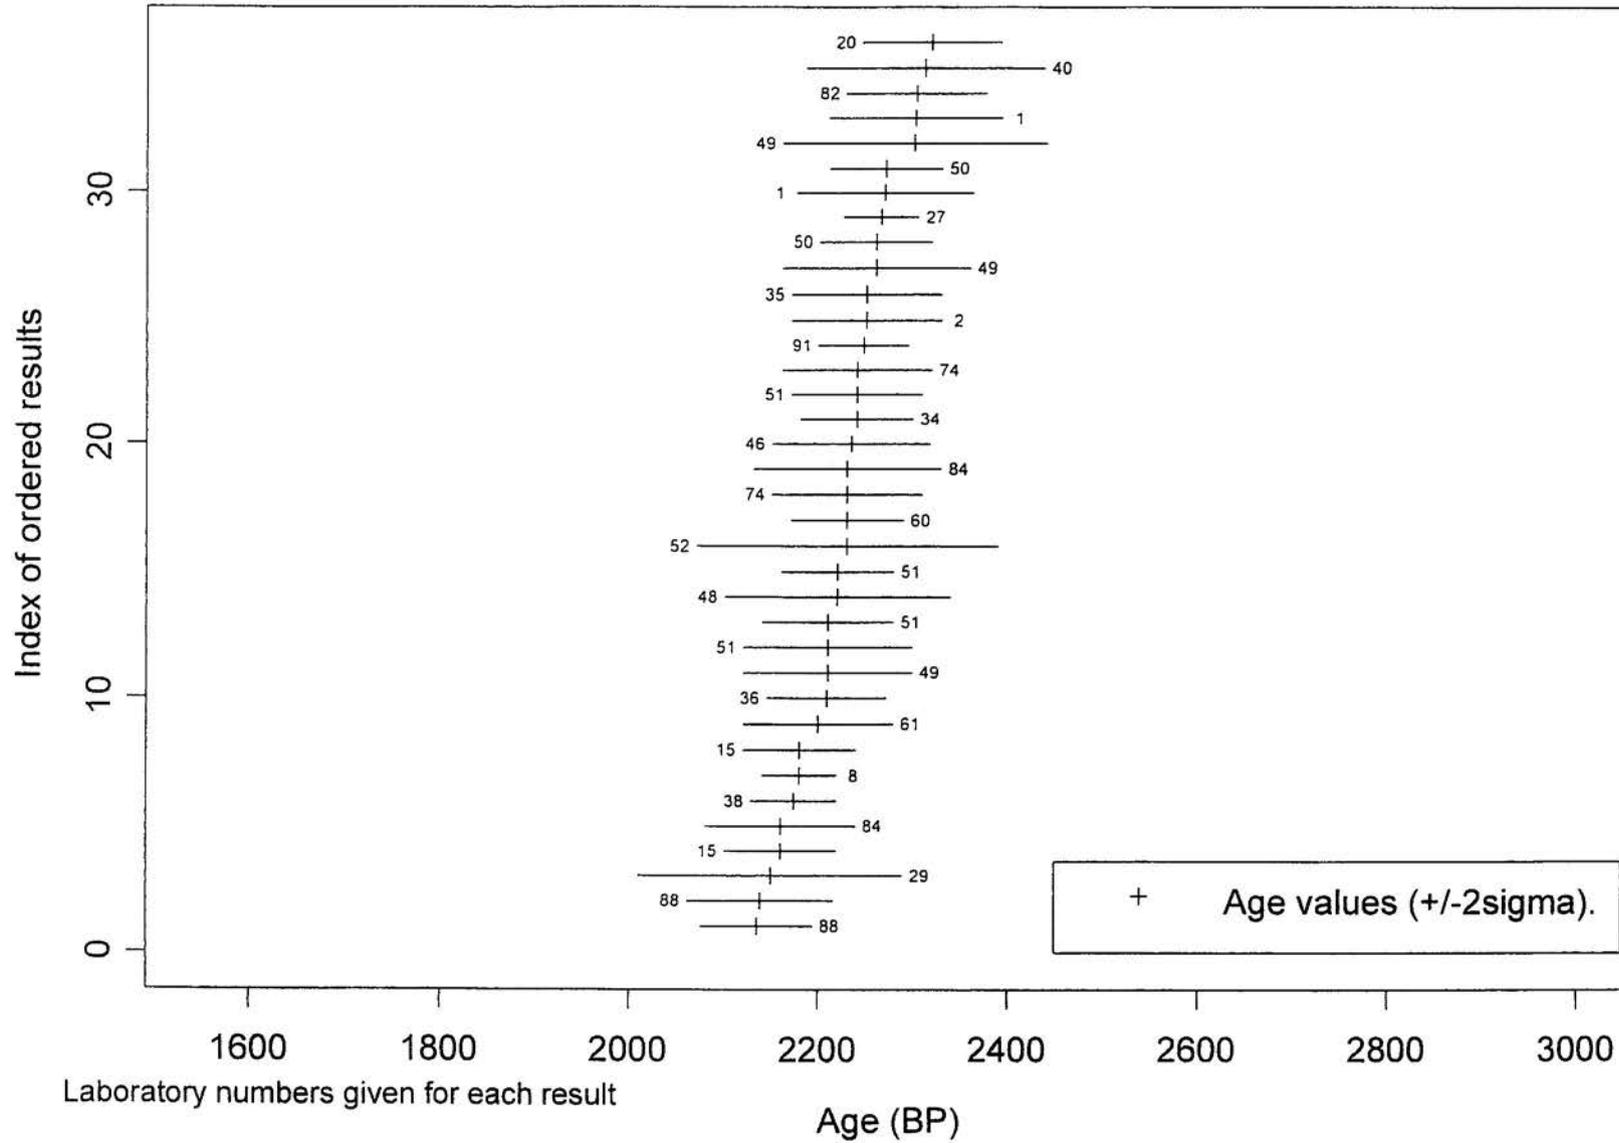

Distribution plot, for AMS laboratories, of Age $\pm 2\sigma$ for humic acid, E

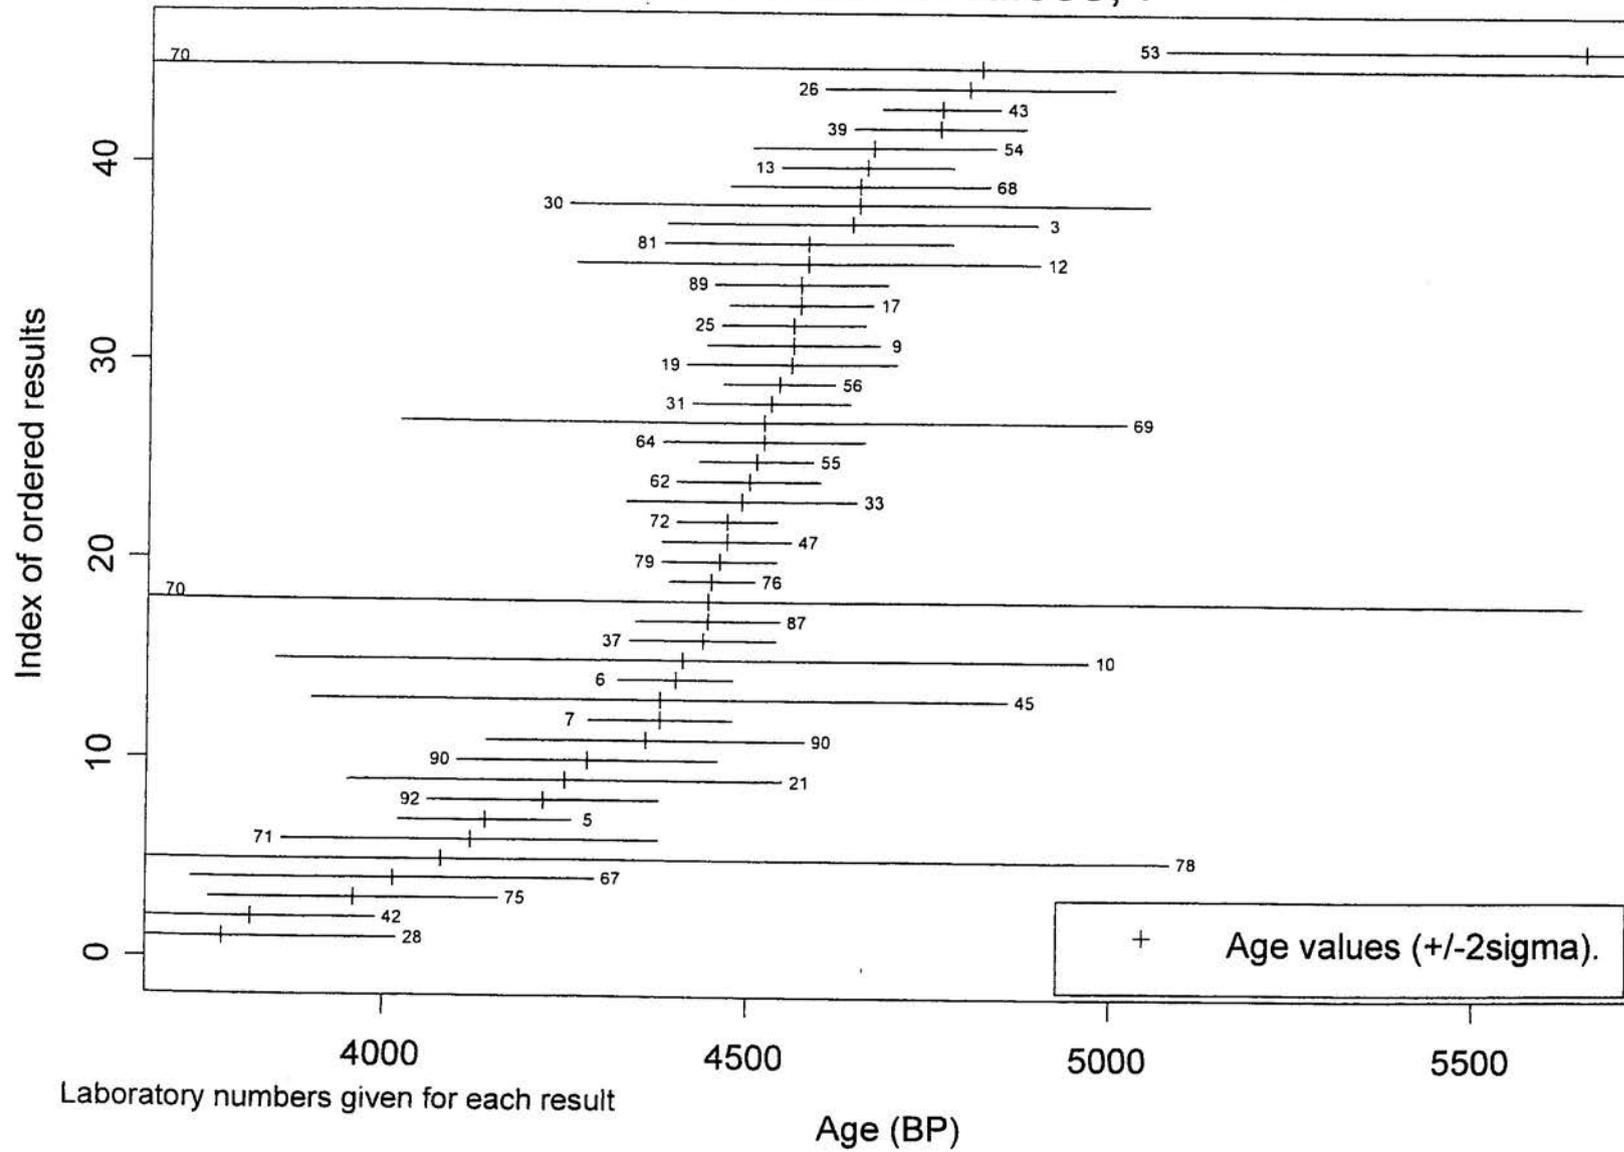

Distribution plot, for LSC laboratories, of pMC +/- 2sigma for barley mash, G

Distribution plot, for AMS laboratories, of Age \pm 2sigma for Hohenheim dendro wood, H

Distribution plot, for LSC laboratories, of Age \pm 2sigma for Belfast cellulose, I

Distribution plot, for AMS laboratories, of pMC +/- 2sigma for barley mash, J
